RE: Student Insurance Proposal 2003-21- Renewal

SUMMARY:

The District purchases secondary insurance coverage for students injured while participating in extracurricular UIL activities. The current policy will expire on July 31, 2005. Request for proposals were let in May 2003 and proposals were received on May 16, 2003. A summation of the process and outcome as well as a copy of the tabulation are attached for your review. The proposal included an option to renew for two additional one-year terms if agreed to by both parties. The 2005-06 school year will be the last renewal available on this bid.

The Baker Agency agreed to renew the 2004-05 coverage as bid with the exception of lowering the catastrophic coverage to $2,000,000 in lieu of the current $5,000,000. Mr. Randy Leach, Athletic Director, and Mr. Mark Gilbert, Athletic Trainer, researched the amount held by other districts and determined that this was within the range held by other districts. They were happy with the service that the Baker Agency has provided and recommended renewal for this school year, which was approved in April 2004.

The Baker Agency has agreed again to renew coverage for the 2005-06 school year at the same premium. Please note, the original bid for board approval form (attached) showed a total of $36,000, which represented $32,000 plan coverage and $4,000 catastrophic coverage taken off the vendor information submitted. However, they were only reflecting the cost for 1 junior high at $1,200 and the high school at $2,800. The actual cost was $5,200 since we have 2 junior high schools. So the amount that needs to be approved is $37,200. The renewal agreement shows $5,200 for the 2 junior highs at $1,200 each and the high school at $2,800. The premium for all the coverage is the same as last year at $37,200.

Mr. Randy Leach, Athletic Director, recommends that the coverage be renewed as presented.

RECOMMENDATION:

It is recommended that the Board renew the Plan II-B offered by Baker Agency for the period of August 1, 2005 to July 31, 2006.
