RE: Office Supplies – Annual Contract CSP 2005-19 – Renewal

SUMMARY:

The annual contract for office supplies and equipment will expire on May 31, 2006. Vendors were asked to identify their pricing structure/benchmark and any additional discount that would be offered to Granbury ISD for the purchase of office supplies on an as needed basis. The award covered one year with the option to renew for two additional one-year terms. Responses were received March 10, 2005.

A summation of the process and outcome as well as a copy of the tabulation of the CSP is attached for your review.

There were questions last meeting regarding the evaluation process for this bid. I have attached a file that has the back up documentation of the evaluation done last year for this bid. Since this is a proposal there are multiple considerations in the evaluation process. We have developed a point system which is included for your reference as well as the answers to various questions asked in the request for proposal applicable to the evaluation. There was a specific question regarding the price comparison. As I explained, the listed prices are used for comparison purposes only, they are not held firm. When we compare the prices we only use those items that all of the vendors responded to without deviation from specs. We feel that that is the only way that we can compare “apples to apples”. The circled items on the attached evaluation information were the items used and when using those items, Martin’s is low bid.

It was deemed in the best interest of the District to renew the bid. The vendor was contacted and has agreed to renew as awarded.

This will be the first of the two additional one-year renewals. The following is the recommendation of Mrs. Deborah Johnson and myself.

RECOMMENDATION:

It is recommended that the Board approve Martin’s Office Supply as the office supply vendor for the period of June 1, 2006 through May 31, 2007.

A price comparison was done on over 50 items most commonly used by the nurses. Other factors considered in the evaluation were, minimum order amounts, free shipping, number of items in catalogs, and number of days to ship the goods after receipt of the order.

3. **Period of time bid covers:** June 1, 2006 through May 31, 2007

SUMMARY:
In an attempt to strengthen the Algebra program at the Crossland Ninth Grade Center, Lynn Poole, Heather Dollins, and Sharon Whitefield worked to put a 9th grade Algebra program in place which will allow the course to be spread over the entire year (three trimesters) instead of two trimesters. The third trimester will be a hands-on lab experience which will enhance the learning experience for the students and will help them gain the practical knowledge that many students of algebra lack. The year long course was approved by the board at the Middle School level several years ago, but we would like to make this course mandatory at the Ninth Grade Center. ELECTION OF BOARD OFFICERS FOR 2006-2007

The law requires the board to reorganize by electing a president and secretary at the first meeting after an election and qualification of Trustees. Local policy may also provide for the election or appointment of other officers and committees the board deems necessary. This usually occurs at the first regular meeting after an election but may also occur at a special meeting provided the election results have been canvassed and newly elected Trustees have signed and filed the required Statement of Officer and have taken the oath of office. While boards are required to reorganize after an election, the board may also organize at other times. (Atty. Gen. Op. MW-531, 1982)

(President, Vice-President and Secretary)

President, Barbara Herrington, should announce that nominations for President are now in order. Any member of the Board may nominate another for this office.

If only one nomination is received, President, Barbara Herrington, should call for a vote of the Board for that individual "All in favor of _____, please signify by raising your right hand." "All opposed, indicate by like sign." Abstention should be noted.

Reminder: When only one nomination is received, the nominee must receive a majority vote from the Trustees who are present and voting. (Plurality of those present and voting).

If two or more names are received, President Barbara Herrington should call for a vote of the Board for each nominee individually by stating,

"Those in favor of _____, please signify by raising your right hand".
"Those in favor of _____, please signify by raising your right hand".

Reminder: If more than one nomination is received, the Trustee receiving the most votes will be declared the winner. Board Policy BDA (LOCAL) states, "Officers shall be elected by plurality of the members present and voting."

Example #1 – Two nominations made with Candidate A receiving 4 votes and Candidate B receiving 3 votes. Candidate A declared winner.
Example #2 – Two nominations made with Candidate A receiving 3 votes and Candidate B receiving 3 votes and one abstention. No winner, call for other nominations.
Example #3 – Three nominations made with Candidate A receiving 3 votes, Candidate B receiving 2 votes and Candidate C receiving 2 votes. Candidate A declared winner.

Following election of a Board President, that person should assume the duties of the office and call for nominations for Vice-President and Secretary.
