OFFICE OF SUPERINTENDENT

For:	**Board of Trustees**
Date:	**December 11, 2006**
Action:	**Information**

SUMMARY:

The Academic Excellence Indicator System (AEIS) pulls together a wide range of information on the performance of students in each school and district in Texas every year. This information is put into the annual AIES reports, which are available each year in the fall. The performance indicators are:

- Results of Texas Assessment of Knowledge and Skills (TAKS); by grade, by subject and by all grades tested
- Results of State-Developed Alternative Assessment II (SDAA II)
- Progress of Prior Year TAKS Failers
- Results of Student Success Initiative
- Results of Texas Assessment of Knowledge and Skills-Inclusive (TAKS-I); by subject
- Progress of English Language Learners (ELL)
- Performance-Based Monitoring (PBM) Special Education Monitoring Results Status
- Attendance Rates
- Annual Dropout Rates (grades 7-8 and grades 7-12)
- Completion Rates (4-year longitudinal)
- Completion of Advanced/Dual Enrollment Courses
- Completion of the Recommended High School Program or Distinguished Achievement Program
- Participation and Performance on Advanced Placement (AP) and International Baccalaureate (IB) Examinations
- Texas Success Initiative (TSI) – Higher Education Readiness Component
- Participation and Performance on the College Admissions Tests (SAT I and ACT)

Performance on each of these indicators is shown disaggregated by ethnicity, sex, special education, low income status, and, beginning in 2002-03, limited English proficient status. The reports also provide extensive information on school and district staff, finances, programs and student demographics.

The 2005-06 GISD AIES report is on the District web page at www.granbury.k12.tx.us, AEIS reports. http://www4.granbury.k12.tx.us/gisd_new/docs/TEA_Reports/GISD_AEIS_2006.pdf

SUMMARY:

The food service department is in the process of changing our Point-of-Sale software for the school cafeterias. Computers will be used to track and report information required by numerous Federal and State regulations regarding the National School Lunch Program. Eventually, parents will have the option to view account balances and purchase meals online. We plan to implement this new system on February 1, 2007.

The new lunchroom system will include a Point-of-Sale terminal electronically connected to a computer in the cafeteria manager's office. The first week the serving times for breakfast and lunch may be a little longer than usual while everyone gets accustomed to the new system. To assist GISD with efficiency and appropriate security of each student's account, all secondary students will be identified through a biometric scanner. The Biometric system consists of a reader that records certain identification points from a finger and stores that information as a calculated number in a computer. *The image of the fingerprint is NOT stored in any database at any time.* This makes the Biometric software extremely secure because it prevents anyone from having access to an image of your child's fingerprint. An advantage to the Biometric input system is that it does not require students to carry a lunch card or memorize a PIN number. Additionally, this system protects your child's account from other students using their account. Each student will be required to scan their finger during the first few weeks in January in order to enroll them into our database. For lower grades, we will use an electronic classroom roster. Once everyone is familiar with the new system, we expect the lines to go faster than ever before.

RE: GHS Auditorium Rooftop Units (6) Replacement – TIPS

SUMMARY:
Board Policy CH(LOCAL) requires board approval on purchases in excess of $25,000. The policy states "The Board delegates to the Superintendent or designee the authority to determine the method of purchasing, in accordance with CH(LEGAL), and to make budgeted purchases. However, any purchase that costs or aggregates to a cost of $25,000 or more shall require Board approval before a transaction may take place".

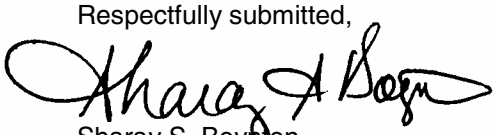

Maintenance has received a quote from Carrier Corporation through the TIPS program for the replacement of the six units on the GHS Auditorium. The quote is based on the TIPS contract. The cost of the replacement will be $118,052. The budget includes this project and related budget.

The following recommendation is that of Mr. Larry Gehrke, Maintenance Director.

RECOMMENDATION:

It is recommended that the HVAC Rooftop units as described above be purchased as presented.

RE: Towing Services
Bid No. 2005-13 - Renewal

SUMMARY:

A proposal was let to provide an annual contract for towing services on an as needed basis for district buses and vehicles. Proposals were due February 2, 2005. The original award was for the current period plus two additional one-year extensions should all parties agree in writing. Current bid will expire on January 31, 2007.

A summation of the original process and outcome as well as a copy of the tabulation is attached for your review.

Mr. Terry Slemmons, Director of Transportation was contacted regarding the renewal of the bid. In his opinion, it would be in the best interest of the District to extend the bid. Don's Towing was contacted and they have agreed to extend the award period to January 31, 2008. Expenditures during last bid term was approximately $800. It is anticipated that current expenses will be $500 to $2,500.

The following is the recommendation of Mr. Terry Slemmons, Director of Transportation, Ms. Ronda Herrin, Purchasing.

RECOMMENDATION:

It is recommended that the Board renew the award for the purchase towing services from Don's Towing for the period of February 1, 2007 through January 31, 2008.

BID FOR BOARD APPROVAL

Board Meeting Date: March 7, 2005 **Bid Number:** 2005-13

1. **Item, material or service (specific or classification):** Towing Services

2. **Brief description:** A proposal was let to provide an annual contract for towing services on an as needed basis for district buses and vehicles.

3. **Period of time bid covers:** From written notification of award through January 31, 2006

4. **Person and title responsible for the expenditure:**

   Terry Slemmons – Transportation Director

5. **Number of bids sent to vendors:** 5

6. **Number of bids received from vendors:** 1

7. **Listing of recommended vendors and total prices:**

   It is recommended award be made to Don's Towing. An approximate expenditure is not known at this time, as services will be on an as needed basis. It is anticipated expenses will range between $500 and $2,500 based on past history.

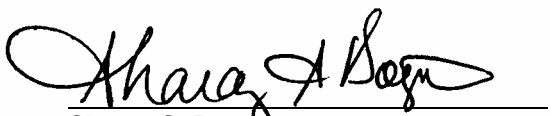

8. **Explanation of other than low recommendations:** N/ A

9. **Last bid date (bid of comparable nature within last 5 years):** N/A

10. **Percentage increase or decrease from last bid**: N/A

11. **Budget information:** Expenditures will come from budgeted funds for the Transportation Department under account code: 199.34.6249.00.800.5.99.0.40

12. **Other comments:** A proposal was done for towing services at the request of Terry Slemmons, Transportation Director. His brother has purchased the local company, Don's Towing Services, the district has used for towing services in the past. The district will not reach the threshold required for a formal process by state law but Terry wanted to remove any appearance of favoritism. The CSP was sent to 5 companies in Cleburne, Weatherford and Granbury due to their proximity and response time. It was also advertised in the Hood County News. Only one vendor responded, Don's Towing Services.

RE: (2) 77 Passenger and (2) 47 Passenger Buses – Buy Board

SUMMARY:
Board Policy CH(LOCAL) requires board approval on purchases in excess of $25,000. The policy states "The Board delegates to the Superintendent or designee the authority to determine the method of purchasing, in accordance with CH(LEGAL), and to make budgeted purchases. However, any purchase that costs or aggregates to a cost of $25,000 or more shall require Board approval before a transaction may take place".

An RFQ was created for the purchase of (2) 77 passenger buses and (2) 47 passenger buses to be purchased through the Buy Board. Specifications for this purchase were provided by Terry Slemmons, Transportation Director. There were 4 vendors in receipt of the RFQ. Of these 4, there was one response received via fax from Longhorn Bus Sales, Ltd. Terry has recommended award to Longhorn Bus Sales for the purchase of (2) 77 passenger buses at $82,461 each and (2) 47 passenger buses at $81,548 for a total expenditure of $328,018. There will also be an $800 PO processing fee that will be collected by the vendor. The funds are included in the adopted budget.

The following recommendation is that of Mr. Terry Slemmons, Transportation Director.

RE: Printing & Copying Services
CSP No. 2005-11 - Renewal

SUMMARY:

The District let a request for proposals for printing and copying services. Vendors were asked to bid on standard forms as well as specialty printing projects. The proposals were received December 16, 2004. The RFP allowed for the District to award standard forms to one vendor and multiple award the specialty printing. By awarding to multiple vendors on special projects, costs and circumstances can be analyzed to determine best deal for the District. The original award allowed for 2 one-year extensions should the parties agree in writing to extend the proposal.

The current bid will expire on January 31, 2007. A summation of the original CSP process and outcome as well as a copy of the tabulation is attached for your review. This will be the last renewal term available on this bid.

Mrs. Debbie Johnson, Purchasing Supervisor, contacted all campus and department secretaries regarding their satisfaction with the current vendors. The consensus was to renew as currently awarded. Current vendors are Print One (standard forms) and Print One and San Saba for specialty printing. For large jobs we quote the job from both vendors to make sure we are getting the best value. Expenditures for these services last year were approximately $31,000 and it is anticipated to be similar for this year.

Mrs. Debbie Johnson, Purchasing Supervisor and myself make the following recommendation.

RECOMMENDATION:

That the Board renew award of printing and copying services related to the standard forms of the District to Ad One/Print One and San Saba Printing and Ad One/Print One related to specialty printing for the period of February 1, 2007 through January 31, 2008.

BID FOR BOARD APPROVAL

Board Meeting Date: January 17, 2005 **Bid Number:** 2005-11

1. **Item, material or service (specific or classification):** Printing and Copying Services

2. **Brief description:** A RFP was let to provide a company to handle the district's printing and copying needs. The RFP was divided into two parts, one for standard forms and one for specialty printing. Standard forms are considered the forms that are ordered on a routine or continual basis by the departments or campuses. Samples of the forms were provided to the vendors to provide pricing based on quantities of 250, 500, 1000, etc. Specialty printing is printing such as the district student handbooks. These are large orders that require a fast turnaround time. More than one vendor will be awarded to provide a cost comparison at the time of need.

3. **Period of time bid covers:** From February 1, 2005 (or written notification of award if after that date) through January 31, 2006.

4. **Person and title responsible for the expenditure:**

   Campus Principal – for campus purchases
   Department Head/Director – for department purchases

5. **Number of bids sent to vendors:** 13

6. **Number of bids received from vendors: 3**

7. **Listing of recommended vendors and total prices:** It is recommended that award be made to Print One as overall low bidder on Section A – standard Forms. Prices on the forms were compared for each vendor for each quantity that was identified. For Section B - Specialty Printing, it is recommended that San Saba Printing and Print One be approved for specialty printing as the two lowest bidders on the sample student handbook that was provided in the bid. Awarding Section B to multiple vendors would allow for consideration of cost, layout design, turn around time, etc., as the printing is needed. Each approved vendor will be given the opportunity to provide a cost quote on the specialty printing to be done. It is anticipated expense for printing and copying services will be approximately $30,000 annually.

8. **Explanation of other than low recommendations:** N/A

9. **Last bid date (bid of comparable nature within last 5 years):** 02/12/02 (with 2 renewals)

10. **Percentage increase or decrease from last bid**: Due to the number of items on the bid, a comparison was not made.

11. **Budget information:** Costs for printing and copying services are built into the general supply accounts for each campus and department. Therefore, they cannot be specifically identified as a budgeted line item or amount.

RE: Disposal of Surplus Tires

SUMMARY:

According to Board Policy CI(LEGAL), "The Board may, in an appropriate manner, dispose of property that is no longer necessary for District operations."

The transportation department currently has surplus used tires of various sizes. They experience surplus tires throughout the year as new tires are bought and installed on the buses and other vehicles. Southern Tire Mart has offered to remove all of these tires at no cost to the District while paying the District for the ones that will be recapped. Mr. Terry Slemmons, Transportation Director is recommending that Southern Tire Mart be allowed to dispose of the tires as described above as needed throughout the school year.

RE: Autodesk License Renewal

SUMMARY:

Board Policy CH(LOCAL) requires board approval on purchases in excess of $25,000. The policy states "The Board delegates to the Superintendent or designee the authority to determine the method of purchasing, in accordance with CH(LEGAL), and to make budgeted purchases. However, any purchase that costs or aggregates to a cost of $25,000 or more shall require Board approval before a transaction may take place".

Technology purchases are all purchased using the DIR and CISV interlocal agreements the District has entered into. DIR and CISV award contracts via an approved purchasing method. GISD is able to purchase directly from their contracts without going through the formal bid process. GISD uses these resources to gather quotes for purchasing decisions at the time of the purchase. The following purchase is planned to occur. Since the total technology purchases exceed the $25,000 amount, this purchase needs to be approved by the Board.

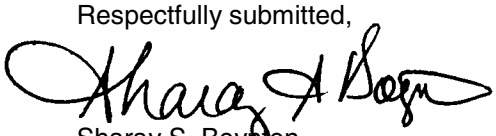

The Autodesk Design Academy (ADA) License Agreement for Granbury High School expires on December 21, 2006. The annual renewal cost for this license is $5,045.00 to be purchased from Teaching Systems, Inc.

The following recommendation is that of Mr. Ton Potappel, Director of Technology.

SUMMARY:

In a recent Board Workshop, the board began the process of reviewing the current GISD Goals. Since the workshop, I have met with the campus PTO/PTA presidents, campus principals and curriculum department for input. On Thursday, December 7, 2006, I will meet with the District Advisory Council and receive input from them. Following is a 'DRAFT' of Core Beliefs and Strategic Goals for the Boards consideration.

Respectfully submitted,

William Harris

William Harris
Superintendent

Core Beliefs

We believe that…

1. We believe that students come first.
2. We believe that each student can learn and will have equal opportunity to do so.
3. We believe that the success of each student is the shared responsibility of students, families, schools and communities.
4. We believe in accountability at all levels.
5. We believe, as a district, we can achieve higher levels of performance.

Strategic Goals

GOAL I

Granbury Independent School District will demonstrate sustained growth in student achievement by ensuring learning for all students through high standards and the district-wide aligned curriculum

GOAL II

Granbury ISD will recruit, employ, and retain a quality teaching, administrative, and support staff to optimize student engagement and learning in order to attain excellence in student performance.

GOAL III

Granbury ISD will supply the resources needed within the limits of state and local budget restraints to accomplish the mission and goals of the district and offer equitable access to all curriculum in the district to improve student achievement.

GOAL IV

Granbury ISD will provide premier facilities and support systems for all stakeholders that enhance a positive learning environment and foster student and community pride.

GOAL V

Granbury ISD will utilize technology as a tool to foster improvement in academic achievement, curriculum integration, and increased accessibility and innovation.
