Athletic Department

Athletic Opportunities

- We offer a number of opportunities for students to participate in Athletics.

- At the High School / Ninth Grade level, we offer 22 sports, 11 male sports and 11 female sports. For those students who want to participate in Athletics but do not want to play, we offer a Sports Medicine program where students can learn injury prevention, first aid, injury care, and injury rehabilitation. There are also manager opportunities that include sports statistics and audio visual.

- At the Middle School level, we offer 6 sports, 3 male sports and 3 female sports at each Middle School.

Athletic Department

Athletic Participation

- There are approximately 1,650 student athletes in the Athletic Programs here at Granbury ISD in grades 7^{th} – 12^{th}.

- The enrollment for grades 7^{th} – 12^{th} as of April 26^{th} was 2,777.

- That means that 60% of the students enrolled participate in Athletics.

Athletic Department

Student Populations

- Caucasian students comprise of 85.7% of all GISD student athletes. This has stayed consistent from the 2009-10 school year.

- Hispanic students comprise 13.3% of all GISD student athletes. This improved from 12.8% in the 2009-10 school year.

- The American Indian, Asian, and African American students combined comprised of 1% of all GISD student athletes. This improved from negligible in the 2009-10 school year.

- The Economically Disadvantaged students comprise 30.9% of all student athletes. This rose from 27.7% in 2009-10 and 24.6% in 2008-09. All the campuses showed a rise – particularly GMS and CNGC.

ACADEMIC ALL-DISTRICT

Lady Pirate Volleyball	Laiken Britt, Katlyn Ferguson, McKenzie Harrison-Bolen, Shannon Helm, Paige Holt, Madison Martin, Madisson Martin, Kathryn Middlebrook, Sarah Roberts, Makenzie Scanlan, Sierra Smith, Stacey Wilson
Lady Pirate Basketball	Lauren Clough, Maddie Cox, Paige Holt, Catherine Matthews, Kristen Mozingo, Katie Muellenberg, Morgan Northcutt, Lilley Vander Zee
Pirate Basketball	Connor Lively-Adams and Zach Price
Pirate and Lady Pirate Tennis	James Bramlett, Amelia Cheney, Brittney Lopez
Lady Pirate Softball	Brittany Acosta, Sydney Gibson, Catherine Matthews, Maddison Mott, Maci Samuelson, Shelby Tipton

Each individual sport's district determines whether or not they award Academic All-District Honors.

Athletic Department

Academic Accolades

OTHER ACADEMIC ACHIEVEMENTS

National Football Foundation Scholar-Athlete	Bret Roper
WFAA Dale Hansen Scholar-Athletes of the Week	Bret Roper and Amelia Cheney

2010 PARENTS FOR ACADEMIC EXCELLENCE HONOREES
Top 2% of their class

Current Seniors 7 of the 9	Elise Decker, Ben Evart, organ Kirkpatrick, Mackenzie Krone, Ryan Luedeker, Bret Roper, Kirk Wallace
Current Juniors 5 of 10	Brendon Clough, Dylan Francis, Mckenzie Harrison, Emily Hiler, Conner Lively-Adams
Current Sophomores 10 of 11	Mallory Bersi, Blair Cowden, Devon DeYoung, Klint Keating, Kyle Koiner, Jessica Martinez, Evangelina Oviedo, Matthew Rose, Alyssa Tigner, Victoria Townsend
Current Freshmen 7 of 11	Sydney Carpenter, Lauren Clough, Rachael Rodgers, Chandler Chiappe, Ariel Davila, Riley Summer, Guy Wright
Current 8th Graders 7 of 9	Mitchell May, Michael Rezsofi, Samuel Sonderer, Noah Smith, Garrett Tatum, Krysta Caudle, Michael Schmlez
Current 7th Graders 9 of 10	Karis Beasley, Jennifer Boldenow, Montana Moody, Aaron Morgan, Benjamin Bills, Makenna Martin, Kiersten Mathis, Zachary Pate, Clay Walters

Athletic Department

Athletic GPA Comparisons

The cumulative Grade Point Average for the 2010-2011 school year was calculated through the end of the 5th 6 week grading period. The GPA for the Athletic Student Body was higher at both campuses than the Non-Athletic Student Body.

GHS Athletic Student Body's GPA – 3.113
GHS Non-Athletic Student Body's GPA – 2.9207

CNGC Athletic Student Body's GPA – 3.1129
CNGC Non-Athletic Student Body's GPA – 2.9446

Community Education Department

Drug Testing

For the 2010-2011 school year, we have had a total of 8 random drug tests.

Each time, approximately 76 students have been tested. We test 45 at GHS, 15 at CNGC, 8 at AMS, and 8 at GMS.

The drug testing company sends 2 or more representatives to all 4 campuses on the testing days.

Generally the test results are received within a week of the testing date.

This year we had 10 positive tests out of the 533 that were tested. We have 2,605 names on the drug testing list.

Community Education Department

Driver's Education

Class Start Date	Total Enrollment	Instructor
September 7, 2010	36	Curtis Allen
November 8, 2010	36	Curtis Allen
February 16, 2011	36	Curtis Allen
March 29, 2011	36	Curtis Allen
May 16, 2011	36	Doug Barnett

All classes were at full capacity with over 4 students on the waiting list each time. We offer Driver's Education classes to Granbury ISD students as well as students in other school districts.

Community Education Department

Summer Camps

We offer a variety of summer camps during June and July. Our camps offer children hands on sport specific skill training in a fun atmosphere. The camps available include:

Baseball
Basketball – both boys and girls
Football
Soccer – both boys and girls
Softball
Tennis
Volleyball

Athletic / Community
Education Department

Office Procedures

- Greeting guests by phone and in person
- Answering phones on multiple lines including Athletics and Community Education
- Coaches information updates
- Game updates and schedule changes
- Resume files for potential new coaches
- Update and distribute handbooks including Student Athletes and Coaches
- Bank deposits
- Work Orders for both Technology and Maintenance
- Making and distributing passes including Gold Cards and Student Athlete passes
- Varsity Football Season Ticket Sales including ordering, selling, and distributing
- Varsity Football Home and Away Game Tickets Sales
- Organize home game workers
- Master lists of schedules
- Security and Administrator on Duty schedules for home events
- UIL Eligibility for all varsity sports
- UIL Previous Athletic Participation Forms
- UIL Participation numbers
- Officials pay for all athletic events from grades 7^{th} – 12^{th}
- Game Reports for all athletic events from grades 7^{th} – 12^{th}
- Gate Procedures Training
- Website Postings and Updates

Athletic / Community Education Department

Office Procedures

- Purchasing for all athletic teams, Athletic Office, and Community Education Department
- Payroll for all game workers, coaching bus drivers, summer camps, and driver's education classes
- Budgets for Athletic Department and Community Education Department
- Travel Arrangements for Athletic Director, coaches, and teams including meals, hotels, and registration
- Transportation requests for all athletic teams
- Bids for Fall and Spring Sports, Athletic Trainer, and collaborate the Catalog, Photography, Letter Jackets, and Drug Testing
- Letter Jacket coordination of fittings, eligibility, ordering, and distribution
- Driver's Education scheduling of classes, receive payments, correspondence and updates of class information, TEA record management
- Drug Testing collection and entering data, correlation with company for testing dates, distribution of random testing lists, and correspondence
- Facility Use scheduling using School Dude to schedule all athletic events and outside guests using school athletic facilities
- Advertising for Sports
- Summer Camps including organizing with coaches, creation and distributing of flyers, receiving payments, and payroll
- Miscellaneous presentations including for coaches and school board meetings

Athletic / Community
Education Department

Accolades

- Ruth's Place Clinic is an invaluable community resource by providing free athletic physicals to our economically disadvantaged students at the Operation School Supplies resource fair and at the clinic during the school year as needed.

- We would like to take this opportunity to thank the School Board for allowing us this opportunity to benefit the students and student athletes of Granbury ISD as well as the community.

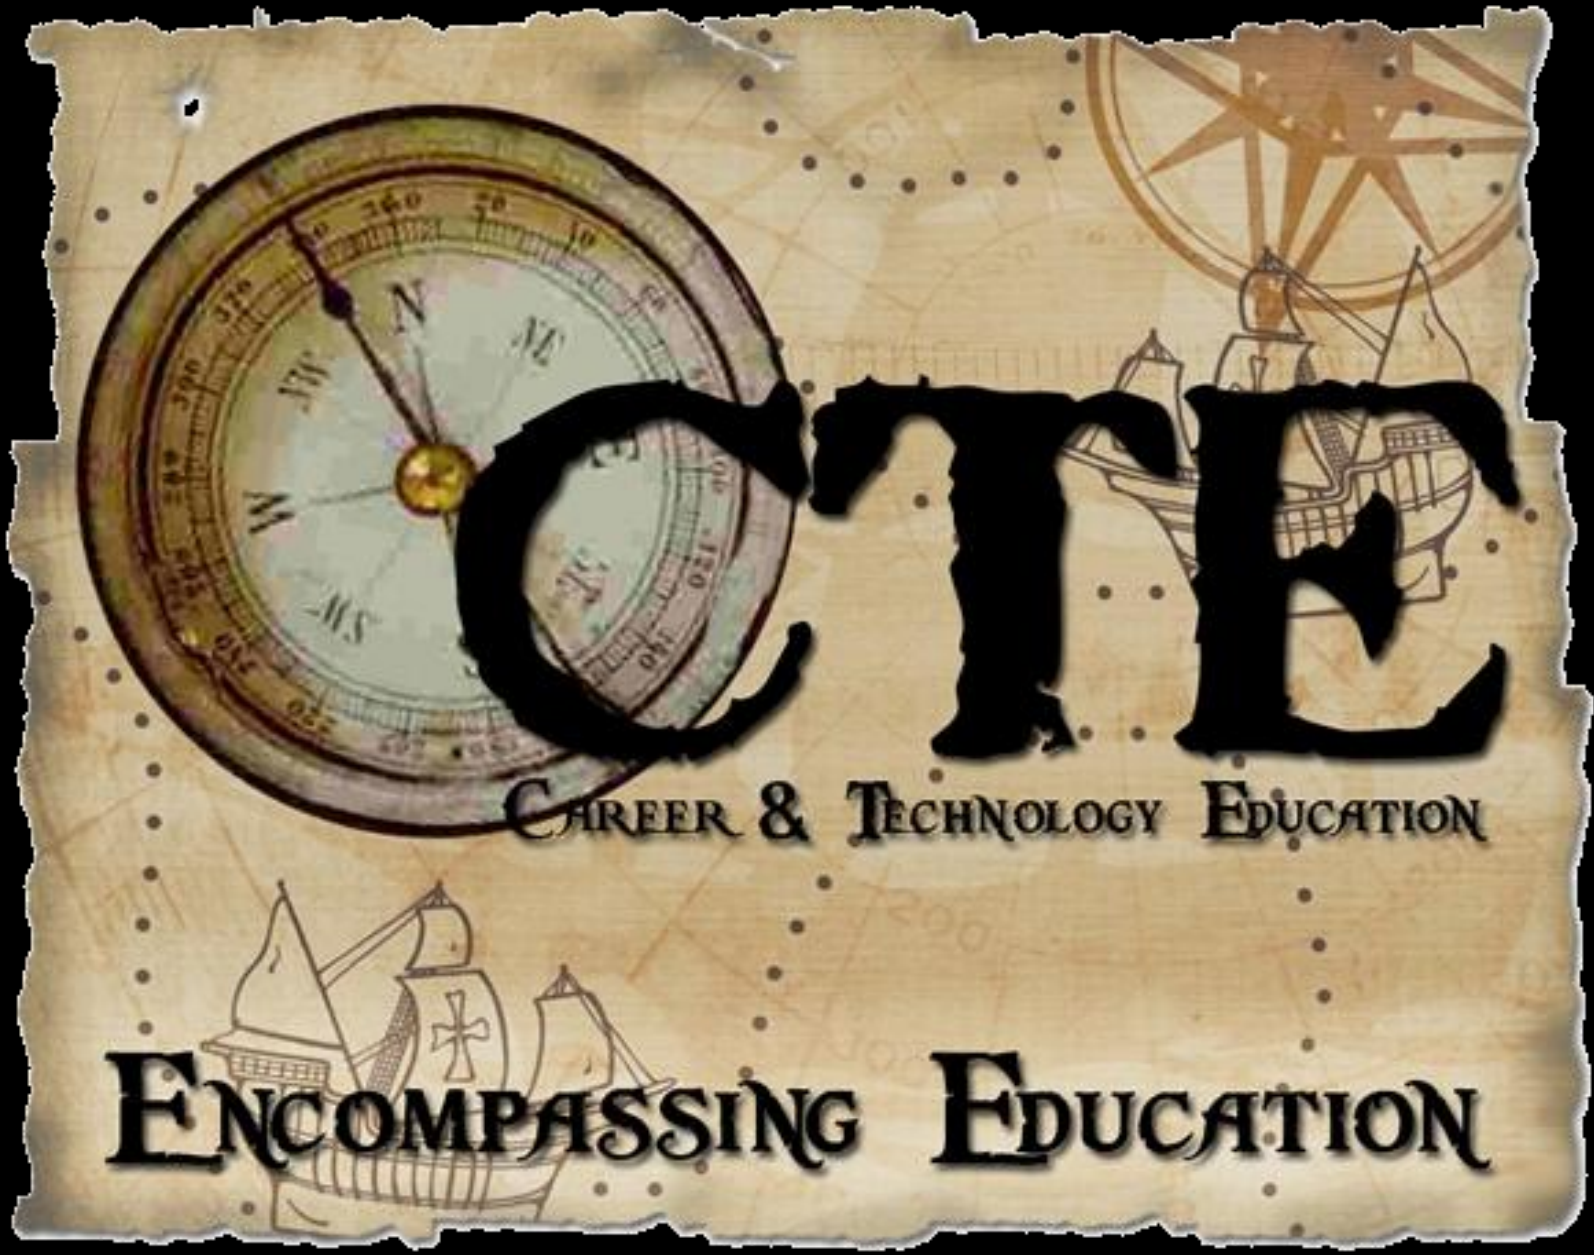

- We would also to thank the parents for allowing us to be a part of their children's lives.

- At this time I would like to use this opportunity to introduce the head coaches of our programs. Along with all their hard work and dedication to the athletic programs, they also teach our students in the school setting.

Athletic / Community
Education Department

Head Coaches

Pirate Baseball – Brad Hart
Pirate Basketball – David Breazeale
Lady Pirate Basketball – Leta Andrews
Cross Country – Amber Ward
Football – Scotty Pugh
Pirate Golf – Steve Ward
Lady Pirate Golf – Becky Addison
Powerlifting – John Contrucci
Pirate Soccer – Doug Kissinger
Lady Pirate Soccer – David Winkleman
Softball – Chad Kimberling
Sports Medicine – Andy Rankin
Sports Medicine – Connie Rhodes
Swimming – Nick Vollmer
Tennis – Jeff Bramlett
Pirate Track – Jodie Scott
Lady Pirate Track – Mike Pinkerton
Volleyball – Tammy Clark

CTE
Career & Technology Education
Encompassing Education

CTE and Perkins

1. **Strengthen academic and career/technical skills**
   - Coherent sequence of courses
   - Monitor TAKS/academic progress
2. **Link CTE to Postsecondary**
   - ATC, Advanced Technical Credit
     - Articulated with Weatherford College in Ag, Business/Finance, Child Development, Graphics, Law/Public Safety
3. **Provide work-based learning experiences**
   - Career Prep, Ag Welding, Ag Veterinary, Health Science, Education/Training, and
   - I.T. (2012)
   - Our goal is to provide the 3rd or 4th year internship/shadowing experience within each cluster

4. Develop and expand technology

- PLTW, Health Science – improves math/science
- Construction – OSHA online certifications
- Marketing online software
- Automotive
- Welding – new welder, ironworker
- Ag – updated equipment for vet med
- Elmos, SMARTBoards, digital cameras

5. Provide Professional Development, including counselors

- TAMU Leadership Development – Director and counselor
- Counselor training – new CTE coherent sequences and 4-year plan
- James Durham, Big Muscles, summer conference; integrating CTE with core
- CTE Summer Conferences

6. Develop and implement assessments of special populations

- Achieve 3000, CNGC Reading classes
- GTT middle schools
- Recruitment of non-traditional students, including male and female in respective courses.
  - Example: Females for PLTW and Males for FCS

- WC career fair and TSTC visit
- Freedom Writers at GHS
  - Example of non-traditional/special population student success

7. Initiate, improve and expand CTE programs

- PLTW, Pharmacy Tech, EMT, Automotive, Veterinary Medical, Welding, Computer Maintenance, Culinary, Adobe Certifications
  - HEB Partnership

8. Provide services/activities of sufficient size/scope to be effective

- Offer 14 of 16 Achieve Texas Clusters
  - Graphics and AV Technology – 2 strands
  - Agriculture – 2 strands
  - Health Science – 2 strands
  - FCS – 2 strands
  - IT – 3 strands

9. Provide activities to special populations, including single parents, for high skill and high demand occupations

- Provision of coherent sequences, internships, certifications in multiple clusters
- Child Development and Human Growth and Development specifically address parenting skills

OFFICE OF SUPERINTENDENT

For:	**Board of Trustees**
Date:	**May 23, 2011**
Action:	**Discussion/Information**

To:	**Board of Trustees**	**From:**	**Ron Mayfield**
		Date:	**May 23, 2011**
		Re:	**Maintenance Tax Notes**

SUMMARY:
I have included seven pages of information on Maintenance Tax Notes from BOSC, Inc. our Investment Adviser.

The following is a summary of costs information.

Description	**Scenario 1**	**Scenario 2**	**Difference**
Dollar Amount of Required for Projects	$500,000	$500,000	$ -------
Estimated Costs of Issuing Maintenance Tax Notes	25,000	----------	25,000
Total Dollar Amount of Funds Required	$525,000	$500,000	$ 25,000
Plus: Projected Interest Cost	42,488	----------	42,488
Total Projected Debt Service/Funding Requirements	$567,488	$500,000	$ 67,488
Less Interest Earnings on Fund Balance During 5-Year Period	15,450	---------	15,450
Net Projected General Operating Fund Balance Used	$552,038	$500,000	$ 52,038

We will need to determine what it is worth to us to protect and maintain a higher fund balance over the next five year.

I recommend that we consider the following purchases if we don't utilize Maintenance Tax Notes. You will see explanations in agenda items following this one.

- Band Instruments - $ 30,402
- Custodial Equipment - $ 58,849.06
- Food Service – $ 60,000
- Transportation - $190,000
  - Total $339,251.06

I recommend that we consider the following additional purchases if we utilize Maintenance Tax Notes over the next five years.

- Gallagher Contract – April Meeting $ 462,000.00
- Other cost from contingency – April Meeting - $ 56,215.00
- Band Instruments - $ 30,402.00
- Band Instruments – Additional - $ 28,200.00
- Custodial Equipment - $ 58,849.06
- Custodial Equipment – Additional - $ 153,572.48
- Food Service – $ 60,000.00
- Food Service – Additional - $ 40,000.00
- Transportation - $ 190,000.00
- Transportation – Additional - $ 760,000.00
- Refurbish Gym Floor $ 11,000.00
  - Total $1,850,238.54

We will need to pass a resolution in the June board meeting if we choose to utilize the Maintenance Tax Notes.

Investments are subject to risks, including possible loss of principal amount invested.

Overview of Maintenance Tax Notes

❑ Maintenance Tax Notes – Used for the Replacement or Repair of Maintenance Items

- **Purpose:** Maintenance Tax Notes may be issued to pay the costs of maintenance, repair, rehabilitation or replacement of heating, air conditioning, water, sanitation, roofing, flooring, electric or other building systems of existing school properties and the purchase of school buses.

- **Authority:** School districts are authorized to issue Maintenance Tax Notes pursuant to Section 45.108, Texas Education Code, as amended.

- **Security:** Maintenance Tax Notes are payable from ad valorem taxes generated from a levy of the District's Maintenance & Operations ("M&O") tax rate (i.e. used to pay for the "day-to-day" operational expenses of the District including teacher salaries, educational programs, supplies, etc.).

- **Voter Approval:** Voter approval **IS NOT REQUIRED** for the issuance of Maintenance Tax Notes.

- **Summary:**

  - Maintenance Tax Notes may only be used for the replacement/repair of maintenance systems and cannot be used for "new construction."

  - Repayment from M&O funds potentially puts pressure on District's operating budget in future years.

  - Maintenance Tax Notes do not qualify for the Permanent School Fund guarantee and will result in a higher interest rate than unlimited tax bonds sold pursuant to a bond election.

Financing Example

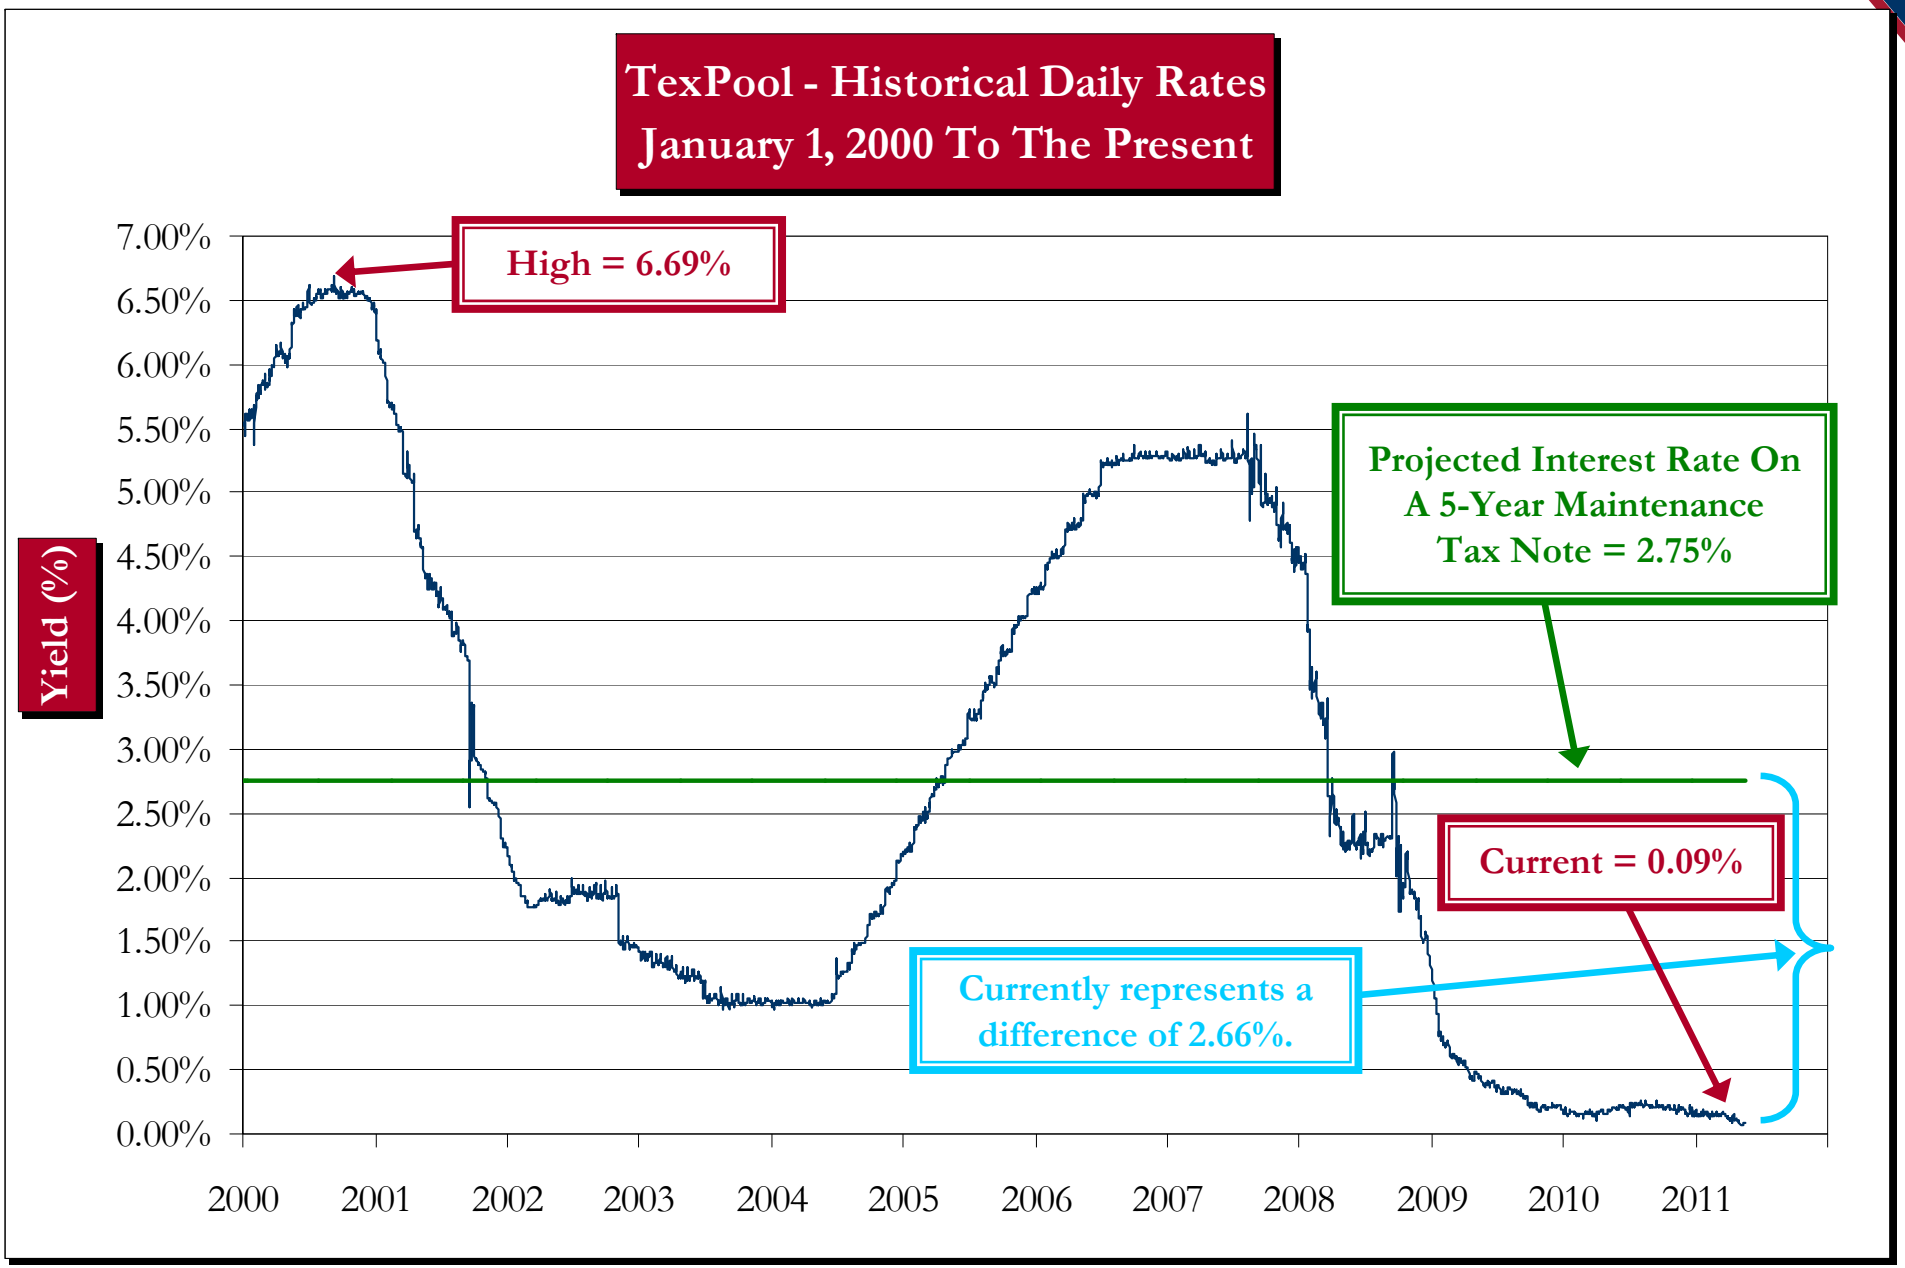

❑ Scenarios Presented

- In order to complete $500,000 of necessary capital projects, the District will either:
  - ❖ Scenario 1: Issue and Repay Maintenance Tax Notes from Existing Funds; or
  - ❖ Scenario 2: Utilize a Portion of the District's Outstanding General Operating Fund Balance.

❑ Assumptions

- The Maintenance Tax Notes will be sold via a private placement (i.e. sold directly to one financial institution) at an assumed interest rate of 2.75%.
  - ❖ Typically, private placements purchased directly by an individual financial institution are most cost-effective for financings of less than $1 million as more advantageous financing terms and lower issuance costs are incurred.
- The Maintenance Tax Notes will be repaid over a 5-year period (i.e. final maturity of August 2016).
- Assumes an investment rate of 1.00% on idle General Operating funds. Currently, investment rates within TexPool are approximately 0.09%.

Financing Example (Continued)

Financing Example (Continued)

Summary of Findings – Maintenance Tax Notes Vs. General Operating Fund Balance			
A	B	C	D
Description	Scenario 1 – Issue Maintenance Tax Notes	Scenario 2 – Utilize General Operating Fund Balance	Difference
Dollar Amount of Required for Projects	$ 500,000	$ 500,000	$ ---
Estimated Costs Of Issuing Maintenance Tax Notes	25,000	---	25,000
Total Dollar Amount of Funds Required	$ 525,000	$ 500,000	$ 25,000
Plus: Projected Interest Cost	42,488	---	42,488
Total Projected Debt Service/Funding Requirements	$ 567,488	$ 500,000	$ 67,488
Less: Interest Earnings on Fund Balance During 5-Year Period	15,450	---	15,450
Net Projected General Operating Fund Balance Used	$ 552,038	$ 500,000	$ 52,038

- Based upon the assumptions herein, the net cost of issuing Maintenance Tax Notes to fund the District's capital needs would be approximately $52,038 more than utilizing a portion of the District's idle General Operating Fund Balance.

- **Over this 5-year time period, the District would have to earn an investment rate of approximately 4.37% in order for the cost of issuing Maintenance Tax Notes to be more cost-effective than utilizing a portion of the District's idle General Operating Fund Balance.**

Summary and Recommendation

- The District has the ability pursuant to State law to issue Maintenance Tax Notes for certain capital projects such as repair/renovations to existing school facilities, purchase of school buses, acquisition of band equipment, etc., and such Maintenance Tax Notes are payable from taxes derived to the District's M&O tax rate.

- It is currently more cost-effective to fund the District's proposed capital projects by utilizing a portion of the District's General Operating Fund Balance rather than issuing Maintenance Tax Notes.

- However, given the proposed cuts in State funding for Texas public school districts and the uncertainty of State funding in the future, the District needs to maintain financial flexibility for future school operations by maintaining an adequate General Operating Fund Balance.

- As a general rule of thumb, independent credit rating agencies, such as Standard & Poor's Ratings Services, Fitch Ratings and Moody's Investors Service, suggest an adequate General Operating Fund Balance would equal approximately 20% of a school district's annual operating expenses. As of August 31, 2010, the District's "General Operating Fund Balance as a Percentage of Total Expenditures" was 26.2%.

- **Recommendation:** To pay for the $500,000 of necessary capital improvements, we recommend the District:

  - Use a portion of its General Operating Fund Balance to minimize the cost of the improvements at this time; and

  - Approve a "Reimbursement Resolution" to provide the flexibility to issue Maintenance Tax Notes over the next 18-months, if deemed appropriate, to replenish the $500,000 of General Operating Fund Balance initially used for capital improvements.

Action:	**Discussion/Information**

To:	**Board of Trustees**	**From:**	**Ron Mayfield**
		Date:	**May 23, 2011**
		Re:	**Consider Purchase of Band Instruments**

SUMMARY:
I informed you in an email on April 27 that we are short on band instruments at the high school. The following is a list of instruments that we do not have for our students to play. These are instruments that I believe we need to try to purchase this year regardless of whether we utilize Maintenance Tax Notes.

Our Band is growing and the need for instruments will continue to grow. I anticipate we will see significant growth in both band and choir at our middle schools this coming year. There will be less class periods available for theater, art and other electives, which will cause there to be less students in those courses. Students will have to make a choice between band and choir.

A great number of our parents will not be able to afford to pay rental on instruments. This means that an increase in the number of students will create a need for additional instrument purchases.

(2) King Sousaphones - $5,135 each = $10,270
(2) Fox 240 bassoons - $7,618 each = $15,236
(3) YCL-221 II Yamaha bass clarinets - $1,632 each = $4,896

Total - $30,402

The following would be replacement instruments. I recommend that we consider this purchase if we utilize Maintenance Tax Notes.

(1) Yamaha TP7205CL Set of 5 Professional Series Hand Hammered Copper Timpani with Gauges = $15,350
(1) Yamaha YVRD2700GC, Vibraphone 3 Oct. Gold Studio Multi-Frame with cover = $5,525
(1) Yamaha YMRD2400C, 4.3 Acoustalon marimba with Multi-Frame and drop cover = $5,135
(1) Fall Creek K-100, 2.6 Octave Satin Nickel Glockenspiel (orchestra bells) = $2,190

Total - $28,200

Re: **Consider Purchase of Custodial Equipment**

SUMMARY:
We have a significant number of needs for our Custodial Department. Alicia has eliminated positions through attrition. We cannot expect less people to do more with worn out and broken equipment.

The average age of our custodial equipment is ten years with select pieces fifteen years and older. This equipment is breaking down faster than we can repair it and we have been limited in preparing some of our floors appropriately.

I have attached a copy of Alicia's email that explains some of these issues thoroughly.

I will list all the equipment in this first list that we might consider purchasing if we utilize Maintenance Tax Notes.

- Floor Machines – 5 – $8600 each - Total Cost = $43,000
- Carpet Extractors – 9 – $5,049 each - Total Cost = $45,448.20
- Buffers – 10 – $920.36 each - Total Cost = $9,203.60
- Wet Vacuums – 9 – $653.86 each - Total Cost = $5,884.74
- Burnishers – 10 - $10,885.50 – Total Cost $108,885

Total = $212,421.54

If we don't utilize Maintenance Tax Notes, I would suggest we consider a five-year purchase plan as follows:

Item	**Year 1**	**Year 2**	**Year 3**	**Year 4**	**Year 5**
Floor Machines	2	1	1	1	
Carpet Extractors	3	2	2	2	
Buffers	3	2	2	2	1
Wet Vacuums	3	2	2	2	
Burnishers	2	2	2	2	2
Total	$58,849.06	$43,625.04	$43,625.04	$43,625.04	$22,697.36

Total = $212,421.54

Re: Equipment Replacements

I would like to request the following capital improvements for the Custodial Department. The improvements are equipment replacements, as you are aware the average age of our Custodial equipment is 10 years with select pieces 15 years or older. This situation has required me to decide whether it is economically feasible to continue repairing our equipment or replace it, because it is breaking down at a rate faster than our Equipment Tech and I can repair them. Most cases the cost of repairing our equipment is either equal to or over half the cost of a replacement. We have no back up equipment to use when an extensive repair situation arises, such as when Oak Woods burnisher broke down recently. They were without a burnisher for over two weeks and their floors suffered until we were able to repair it and return it to them. Replacing the following listed equipment will allow the custodial team to return to the quality of work produced to the original standard and increase their productivity. This investment in equipment will allow an immediate savings in operating cost due to the purchase of battery powered equipment over propane powered burnishers and creates a safer work environment for our employees.
We have realized a savings this year in our custodial budget of at least $39,511.00 in expenditures due to a new system of purchasing supplies and more accountability of the custodial Leads for purchased goods. We also established a new floor care program of preventive maintenance which also helped in the reduction of expenditures greatly, with the equipment requested we will continue to lower our operating cost.

1.	Floor machines needed	5	cost $43000
2.	Carpet extractors needed	9	cost $45,448.20
3.	Buffers needed	10	cost $9203.60
4.	Wet Vacuums needed	9	cost $5884.74
5.	Burnishers needed	10	cost $108,885

Total cost of equipment is $212,421.54.

Robert Lee

Thanks for your help.

		Re:	**Consider Purchase of Food Service Equipment**

SUMMARY:
We are also in need of food service equipment. I have attached a memo from Alicia that gives more detailed information.

I recommend that we consider making the following purchase if we utilize Maintenance Tax Notes.

- District Freezer/Cooler - $50,000
- Condenser Units (Cooler & Freezer) - $10,000
- Water & Booster Heaters (Dish Machine) - $40,000

Total = $100,000

If we don't use Maintenance Tax Notes, I suggest that we consider purchasing items one and two this year for a total of $60,000 and the other item next year for $40,000.

MEMO

TO: Mr. Mayfield

FROM: Alicia Hernandez

Notes:

In the past year, we have served 634,546 lunches district wide. Since we are feeding so many, this produces a heavy strain on our equipment each day; which then leads to expensive equipment repair. Just this year alone, on numerous occasions, we have had severe problems occur; some resulting in thousands of dollars of food/commodity losses. One of the most expensive losses we have had this past year was at GMS. We had not only the cooler go out, but the freezer as well. This was due to the fact they both shared the same condenser, which put a huge strain on the units. The end result was a food loss of $5800.00, and the replacement of two new condensers (one per unit) that was an estimated cost of $10,000.00 each. We know that the same instance will occur at AMS because both kitchens are designed exactly alike. We will need to repair AMS as soon as possible. This leads to our next severe need. When a cooler/freezer goes out, we are unable to house all the food. Our back up freezer has gone to the status of being beyond repair. With that being said, we have no other back up plan to house our food should we endure another freezer/cooler problem.

Another expense we have encountered this year has been our water and booster heaters. Unfortunately, since we have hard water in Granbury, this puts a huge strain on our dishwasher equipment. We rely heavily on our dishwashers for sanitation purposes. We have also spent thousands of dollars to repair our booster heaters. When our dishwashers are down, this results in the loss of the use of hot water, and puts an increase in our supply cost because we have to rely on disposable trays and pans. A good example was at Emma Roberson where three of the water heaters for the dishwasher were out; the end solution was replacing only 2 of the 3 (due to lack of funding) estimate cost was $6,141 for both water heaters. The dishwasher was down for weeks, and left the kitchen to boil water for sanitation purposes because the hot water had to be turned off.

In conclusion, the total amount we are desperately seeking is for the replacement of the condenser at AMS; replacement of the freezer and cooler (in the catering kitchen) for the purpose of a back up plan should one of the units go down at any of the schools; lastly, we are in need of funding for the replacement of our water and boosters heaters at various campuses. Bottom line, this is our program; and we are in it to feed our students. Without the proper maintenance and replacement of equipment, we are unable to be successful at fulfilling our purpose.

ITEM	**LOCATION**	**PRICE**
District Freezer/Cooler	Catering Kitchen Area	$50,000.00
Condenser Units (Cooler & Freezer)	Acton Middle School	$10,000.00
Water & Booster Heaters (Dish Machine)	District Wide	$40,00.00
	TOTAL	**$100,000.00**

		Re:	**Consider Transportation Purchases**

SUMMARY:
I have delayed recommending a purchase of any new buses due to our deficit budgets and the thought that we might consider a bond election at some point in the immediate future. After the election last fall, it doesn't look good for a bond.

I don't know that we should wait on a bus purchase with the idea of a bond or TRE as a possibility this year. I will always put student safety and getting students to and from GISD a priority.

It is my belief that we should consider purchasing at least two buses this year if we don't utilize Maintenance Tax Notes.

I suggest that if we utilize Maintenance Tax Notes that we should considering purchasing at least two per year, which would be ten.

Terry estimates the buses would cost at least $95,000 each.

		Re:	**Consider GMS Gym Floor Restoration**

SUMMARY:
As I reported to you in the email, the gym floor at GMS has flooded on two occasions. The floor has issues that need to be addressed to get it in appropriate condition to prevent future damage; however, it is not urgent.

We are looking at an estimate of $11,000 to restore the floor. With our current financial situation, I cannot recommend that this work be performed at this time; however, I want to make sure it is on our facilities maintenance list.

I believe this is something we should consider if we decide to utilize Maintenance Tax Notes.
