RE: Athletic Supplies –Catalog Discount – 2013-06

SUMMARY:

A bid was let to provide vendors for catalog purchases of athletic supplies. Vendors were to quote a fixed rate percentage discount from catalog or list prices that would be held firm for the duration of the contract, and any renewal periods, for items not identified in the line item bids for spring and fall sports. The original term is from written notification to March 31, 2014 with automatic renewal for up to two one-year increments unless 90 day notice is exercised by parties. The current award will expire March 31, 2013.

A summation of the process and outcome as well as a copy of the tabulations is attached for your review.

Mr. Dwight Butler, Director of Athletics, has reviewed and the following is his recommendation.

RECOMMENDATION:
That the Board award to all responding vendors on the attached tabulation for the purchase of catalog items not included on line-item bids for the period of April 1, 2013 to March 31, 2014.

BID FOR BOARD APPROVAL

Board Meeting Date: March 4, 2013 **Bid Number:** 2013-06

1. **Item, material or service (specific or classification):** Athletic Supplies – Catalog/Price List Discount

2. **Brief description:** A bid was let to provide vendors for catalog purchases of athletic supplies. Vendors were to quote a fixed rate percentage discount from catalog or list prices that would be held firm for the duration of the contract, and any renewal periods, for items not identified in the line item bids for spring and fall sports.

3. **Period of time bid covers:** From written notification of award through March 31, 2014 with the option to renew for two additional years in one-year increments. Automatic renewal unless either party notifies the other party, prior to 90 days of contract expiration, their intention not to renew.

4. **Person and title responsible for the expenditure:** Dwight Butler - Athletic Director

   The bid stated that when using the catalog discount method for purchasing, "The purchasing office shall recommend to the end user that pricing be compared from more than one catalog. If pricing is not printed in the catalog, it shall be recommended that the item be quoted from more than one vendor." It is the responsibility of the coach, along with the athletic director, to ensure that the district is receiving best value in accordance with the criteria in Texas Education Code §44.031 when making their individual campus/sport purchases.

5. **Number of bids sent to vendors:** 158 to cover all sports

6. **Number of bids received from vendors:** 37 (including one incomplete submission)

7. **Listing of recommended vendors and total prices:** It is recommended that all vendors on the tabulation be approved for purchases of athletic supplies and equipment. Awarding to multiple vendors will provide vendors for the different sports in the athletic program at GISD. Many vendor catalogs only carry items pertaining to a specific sport so a variety of vendors would allow for a better selection to meet the needs of the program. A total expenditure cannot be identified at this time as the purchases will be on an as needed basis. It is estimated the annual expense under this contract will be $35,000 to $45,000.

8. **Explanation of other than low recommendations:** N/A

9. **Last bid date (bid of comparable nature within last 5 years):** 3/8/2010

10. **Percentage increase or decrease from last bid**: Most of the percentages remained the same for vendors that were approved for purchases from the previous contract.

11. **Budget information:** Purchases shall be made from funds budgeted for each sport at the secondary campus level with a total budget for all sports of $154,927.21.

RE: Printing & Copying Services
CSP No. 2013-07

SUMMARY:

A bid was let to provide a company to handle the district's printing and copying needs. The bid was divided into two parts, one for standard forms and one for specialty printing. Standard forms are the forms that are ordered on a routine or continual basis by the departments or campuses. Samples of the forms were provided to the vendors to provide pricing based on quantities of 250, 500, 1000, etc. Specialty printing is printing such as the district student handbooks, curriculum guides, etc. These are large orders that require a fast turnaround time.

The CSP allowed for the District to award to multiple vendors for both standard and the specialty printing. By awarding to multiple vendors, costs and circumstances can be analyzed to determine best deal for the District. The proposal was written to allow for 2 one-year extensions should the parties agree in writing to extend the proposal. The current bid expired on January 31, 2013. Renewal terms will be February 1 to January 31.

A summation of the CSP process and outcome as well as a copy of the tabulation is attached for your review.

Responses were reviewed by Ms. Deborah Johnson and myself. The following is our recommendation

RECOMMENDATION:

That the Board award the printing and copying services related to the standard forms as evidenced by the vendors highlighted on the attached tabulation and specialty printing of the District to all vendors who responded for the period of award notification through January 31, 2014.

   Department Head/Director – for department purchases

5. **Number of bids sent to vendors:** 19

6. **Number of bids received from vendors:** 4

7. **Listing of recommended vendors and total prices:** It is recommended that award be made for Section A –Standard Forms, as highlighted on the attached tabulation. Purchases will be based on an as needed basis. Should the awarded vendor be unable to fill the order for any reason, the district will proceed to the next lowest vendor until the purchase can be made. It is recommended for Section B – Specialty Printing that all four vendors be approved for purchases. At the time of need cost will be quoted from any two of the four vendors. Quoting from more than one vendor would allow for consideration of cost, layout design, turn around time, etc., as the printing and copying services are needed. It is anticipated expense for printing and copying services will be approximately $20,000 to $40,000 annually.

Bid No 2011-04 - Renewal

SUMMARY:
A bid was let to provide a vendor to supply office and administrative furniture to be purchased on an as needed basis. The initial period was April 1, 2011 to March 31, 2012 with the option to renew for 2 additional one-year terms. The current contract will expire on March 31, 2013. This will be the final renewal option.

The district has standardized with the Hon furniture line for reasons of durability and to match existing furniture already in place in the district. Vendors were asked to quote a percentage discount off the Hon List Price for the standardized furniture. They were also asked to quote a percentage discount off the Global brand and were given the option to provide a third miscellaneous brand for additional furniture needs.

A summation of the original process and outcome as well as a copy of the tabulation is attached for your review.

It was decided that it would be in the best interest of the district to renew this bid. Both vendors were contacted and have agreed to the renewal as awarded.

Anticipated annual expenditure is $10,000 to $30,000.

RECOMMENDATION:
It is recommended to award to Martin's Office Supply as primary vendor and Oak Cliff Office Products as secondary vendor for the period of April 1, 2013 to March 31, 2014.

RE: Athletic Training Supplies
Bid No. 2012-07 - Renewal

SUMMARY:

A bid was let asking vendors to quote a fixed rate percentage discount off catalog prices and to quote pricing on a list of equipment that would be held firm for the initial period of June 1, 2012 to March 31, 2013 with the option to renew for two additional one-year terms. Supplies and equipment will be purchased on an as needed basis. The current award will expire on May 31, 2013. This will be the first of two renewal options available.

A summation of the original process and outcome as well as a copy of the revised tabulation is attached for your review.

Mr. Andy Rankin, GHS Athletic Trainer, and Mr. Dwight Butler, Athletic Director reviewed and recommended renewal. All vendors were contacted and have agreed to continue as originally awarded with the exceptions noted below.

> *Medco – Would only renew the catalog discount portion, would not hold the prices firm on the items awarded under Section B. Shipping is FOB on orders over $90. (The items awarded to Medco under Section B can be purchased under the catalog discount portion from any of the vendors approved for catalog purchases.)*
>
> *BSN Sports - A new exceptions list with the publication of each new catalog and was attached to the renewal response.*

The budgeted amount for athletic trainer supplies and equipment is $20,870.

The following is Mr. Rankin and Mr. Butler's recommendation.

RECOMMENDATION:

It is recommended award be made to Alert Services, BSN Sports, Medco, School Health and William. MacGill for catalog discount purchases for the period of April 1, 2013 through March 31, 2014. It is also recommended that all items under Section B be awarded as indicated on the tabulation by shading under the vendor name for the period of April 1, 2013 through March 31, 2014.

RE: Reimbursement Resolution

SUMMARY:

Funding associated with Granbury ISD's Energy Conservation Services Program through Performance contracting may include Tax Anticipation Notes. The exact dollar amount of these notes is not known at this time and will not be until the anticipated guaranteed savings amount is determined. With that being the case, expenditures may need to occur prior to funding from the notes is available.

In anticipation of this occurring, the attached resolution can be approved by the Board so that costs that occur, prior to or after funding, can be reimbursed with the funds from the notes. Without this resolution, any expenditure that GISD is out related to this project would not be able to be reimbursed with note funds.

The amount included in the resolution exceeds the anticipated note amount, but at this time the exact amount is not known. It is in the best interest of the district to reflect the higher number so that all expenditures will be able to be reimbursed.

RECOMMENDATION:

Recommend that the Board adopt the attached Reimbursement Resolution.

RE:	**Mascot Change at the Elementary Campuses**

SUMMARY:

I have had a couple of Elementary campuses approach me about changing their mascot to more of a "Pirate" themed mascot. I asked them to work with their campus committees, parents, etc. and bring a recommendation to the Board. At the time I am writing this, Dana Goode at Mambrino has said she is ready to recommend a change at her campus. Stacie Brown mentioned this to me earlier in the year, but I do not know if she is ready to do this at this time. The philosophy behind it is that we are all GISD and we are all Pirates. Some campuses may want to do this and others may not. I am really leaving it up to them, but they are encouraged to do this if they can get support at the campus level. I believe Mambrino is asking to change from the Mambrino "Colts" to the Mambrino "Pirates." Since Mambrino is a horse (I am told), they are thinking of having a Pirate riding a horse as their "official" mascot.
