RE: Budget Amendments

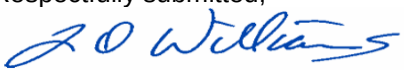

SUMMARY:

Attached are the monthly general fund budget amendments for Board approval. The first page is the budget amendment for the current period and indicates any increases to revenue as well as increases/decreases to each function and the overall net effect of the amendment totals to the budget. For convenience, the budget amendments that will generate new revenue (i.e. campus book fairs, etc.) or are the result of donations made to GISD, have been highlighted in green so that the board may recognize these donations and efforts if they so choose. The second page is a summary and indicates how the current amendment will impact the overall general fund budget as well as how previous amendments have impacted the budget.

RECOMMENDATION:

I recommend the Board approve the amendments as presented.

RE: HVAC and Refrigeration Supplies & Equipment CSP 2015-08 Renewal

SUMMARY:

HVAC and refrigeration supplies and equipment for the district are purchased on an as needed basis. A proposal was let to provide vendors for these items with an initial one year contract period with the option to renew for two additional one-year terms. Initial vendor responses were received on March 4, 2015. The current term will expire on March 31, 2017. The district has the option to renew. Randy Leach, Facilities Director, requested a renewal with the existing vendors. This will be the final renewal option under this contract.

A summation of the original process and outcome as well as a copy of the original tabulation is attached for your review.

A renewal request was sent to the current vendors, AACA Parts and Supplies, Allergy Relief Technologies, Inc. dba Tex-Air Filters, Baker Distributing Company, Barsco, Glassfloss Industries dba Filter Systems, Granbury Winnelson, Johnson Supply and Trane US dba Trane. All agreed to the renewal except Glassfloss Industries dba Filter Systems.

Estimated annual expenditure for the renewal period is $70,000 to $80,000.

RECOMMENDATION:

It is recommended that the Board approve the renewal of CSP 2015-08 for the purchase of HVAC and refrigeration supplies and equipment with the vendors listed below for the period of April 1. 2017 through March 31, 2018.

> AACA Parts and Supplies, Allergy Relief Technologies, Inc. dba Tex-Air Filters, Baker Distributing Company, Barsco, Granbury Winnelson, Johnson Supply and Trane US dba Trane.

1. **Item, material or service (specific or classification):** HVAC and Refrigeration Supplies and Equipment

2. **Brief description:** A proposal was let to provide vendors for HVAC and refrigeration supplies and equipment on an as needed basis. Vendors were asked to quote a fixed price on specific filters and a percentage discount for the purchase of other supplies and equipment for the contract period.

3. **Period of time bid covers:** From written notification of award through March 31, 2016 with the option to renew for two additional years in one-year increments.

4. **Person and title responsible for the expenditure:** Randy Leach – Director of Facilities

5. **Number of bid notification letters sent to vendors:** 126

6. **Number of bids received from vendors:** 11

7. **Listing of recommended vendors and total prices:**

   It is recommended the Board award the purchase of HVAC and refrigeration supplies and equipment to the following vendors: AACA Parts and Supplies, Baker Distributing Company, Barsco, Granbury Winnelson, Johnson Supply, Trane

   It is also recommended the filters be awarded to Allergy Relief Technologies, Inc., dba Tex-Air Filters as primary vendor and Glasfloss Industries dba Filter Systems as secondary vendor in the event the primary vendor cannot provide the filters needed.

   Estimated annual expense is between $70,000 and $80,000.

   .

8. **Explanation of other than low recommendations:** N/A

9. **Last bid date (bid of comparable nature within last 5 years):** This is the first proposal to combine HVAC and refrigeration supplies.

10. **Percentage increase or decrease from last bid**: The proposal was changed to include both HVAC and refrigeration supplies and equipment so an apples to apples comparison could not be made.

11. **Budget information:** Expenditures for HVAC and refrigeration supplies and equipment will come from budgeted funds in account code(s): 199.51.6316.00.951.0.99.0.57 and 199.51.6316.00.951.0.99.0.01

GRANBURY INDEPENDENT SCHOOL DISTRICT

INTEROFFICE MEMO

FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: February 20, 2017
For: Information

TO: Dr. James Largent, Superintendent

FROM: Dobie Williams
DATE: February 13,2017
RE: Engagement of Auditing Firm For 2016-17 School Year

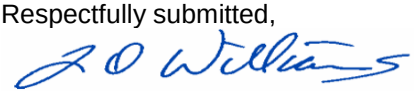

SUMMARY:

Each year TEA requires school districts to have their annual financial statements audited by a licensed independent CPA firm. The District engaged Snow Garret Williams, Certified Public Accounts to perform the Annual Financial and Compliance Report (AFR) for the 2015-16 school year. Snow Garrett Williams has submitted the attached 2016-17 school year engagement letter for consideration by the District. Selecting an auditor early in the school year allows both the District and the Auditor to plan and work together during the year.

RECOMMENDATION:

That the Board of Trustees approve the engagement of Snow Garrett Williams, Certified Public Accounts as the independent auditor for the 2016-17 school year.

Respectfully submitted,

Assistant Superintendent for Finance and Operations

Staff Person Responsible: Dobie Williams

Dear Board of Trustees and Management:

We are pleased to confirm our understanding of the services we are to provide Granbury Independent School District for the year ended August 31, 2017. We will audit the financial statements of the governmental activities, the business-type activities, if any, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of Granbury Independent School District as of and for the year ended August 31, 2017. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Granbury Independent School District's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis.

2. Budgetary Comparison Schedules.

3. Schedule of the District's Proportionate Share of the Net Pension Liability- Teacher Retirement System of Texas.

4. Schedule of District's Contributions- Teacher Retirement System of Texas.

We have also been engaged to report on supplementary information other than RSI that accompanies the District's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

1. Schedule of Expenditures of Federal Awards.

2. Schedule of Delinquent Taxes Receivable.

3. Budgetary Comparison Schedule for National School Breakfast and Lunch Program and Debt Service Fund as Required by the Texas Education Agency.

4. Schedule of Required Responses to Selected School First Indicators.

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

1. Fund Balance and Cash Flow Calculation Worksheet- General Fund

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on---

- Internal control over financial reporting and compliance with the provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards.*

- Internal control over complicated related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Trustees of Granbury Independent School District. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

Audit Procedures-General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the District or to acts by management or employees acting on behalf of the District. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures-Internal Control

Our audit will include obtaining an understanding of the District and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures-Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Granbury Independent School District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Granbury Independent School District's major programs. The purpose of these procedures will be to express an opinion on Granbury Independent School District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of Granbury Independent School District in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in sole professional judgement, reserve the right to refuse to perform any procedure or action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) establishing and maintaining effective internal controls, including internal controls over federal awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the District complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the District; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Snow Garrett Williams and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a grantor or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Snow Garrett Williams personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the cognizant agencies, oversight agencies for Audit, or Pass-through Entity. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Gary Snow is the engagement partner and is responsible for supervising the engagement and signing the reports, or authorizing another individual to sign them.

Our fee for these services will be based on the actual time spent at our standard hourly rates. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. The fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

We appreciate the opportunity to be of service to Granbury Independent School District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Snow Garrett Williams

"Landlord" means Landlord and its agents, employees, invitees, licensees, or visitors.

"Rent" means Base Rent plus any other amounts of money payable by Tenant to Landlord.

"Tenant" means Tenant and its agents, contractors, employees, invitees, licensees, or visitors.

Clauses and Covenants

A. Tenant agrees to—

1. Lease the Premises for the entire Term beginning on the Commencement Date and ending on the Termination Date.

2. Accept the Premises in their present condition "AS IS," the Premises being currently suitable for the Permitted Use.

3. Obey all laws, ordinances, orders, and rules and regulations applicable to the use,

condition, and occupancy ofthe Premises, now in effect or hereinafter enacted, including the rules and regulations of the United States Department of Agriculture and the Texas Agriculture Commissioner. All zoning regulations, restrictions, rules, orders and ordinances, land use regulations, building restrictions and other laws and regulations now in effect or hereinafter adopted by any governmental authority having jurisdiction over the Premises, or established by document of record.

4. Maintain the Leased Property in good condition.

5. Pay for all labor, fuel, and utility services used by Tenant.

6. Pay all taxes, if any, on Tenant's property located on the Premises. Pay all real property taxes, if any, on Premises should taxes be assessed.

7. Allow Landlord to enter the Premises to inspect the Premises and/or show the Premises to prospective purchasers, tenants and/or lenders.

8. Repair, replace, and maintain at Tenant's sole expense and in a timely manner, any injury or damage to any part ofthe Premises used by Tenant, including but not limited to, fences, or any part thereof.

9. **INDEMNIFY, DEFEND, AND HOLD LANDLORD HARMLESS FROM ANY INJURY (AND ANY RESULTING OR RELATED CLAIM, ACTION, LOSS, LIABILITY, OR REASONABLE EXPENSE, INCLUDING ATTORNEY'S FEES AND OTHER FEES AND COURT AND OTHER COSTS) ARISING OUT OF TENANT'S USE OF THE PREMISES. THE INDEMNITY CONTAINED IN TIIIS PARAGRAPH (A) IS INDEPENDENT OF TENANT'S INSURANCE, (B) WILL NOT BE LIMITED BY COMPARATIVE NEGLIGENCE STATUTES OR DAMAGES PAID UNDER THE WORKERS' COMPENSATION ACT OR SIMILAR EMPLOYEE BENEFIT ACTS, (C) WILL SURVIVE THE END OF THE TERM, AND (D) WILL APPLY EVEN IF AN INJURY IS CAUSED IN WHOLE OR IN PART BY THE ORDINARY NEGLIGENCE OR STRICT LIABILITY OF LANDLORD BUT WILL NOT APPLY TO THE EXTENT AN INJURY IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF LANDLORD.**

B. Tenant agrees not to-

1. Use the Premises for any purpose other than the Permitted Use.

2. Create or allow a nuisance.

3. Interfere with any other tenant’s normal business operations or Landlord’s management of the Building.

4. Permit any waste.

5. Use the Premises in any way that would increase insurance premiums, or void insurance on the Building.

6. Change Landlord's lock system.

7. Alter the Premises.

8. Allow a lien to be placed on the Premises.

9. Assign this Lease or sublease any portion of the Premises without Landlord's written consent.

C. Landlord agrees to-

1. Lease to Tenant the Premises for the entire Term beginning on the Commencement Date and ending on the Termination Date.

D. Landlord agrees not to-

1. Interfere with Tenant's possession of the Premises as long as Tenant is not in default.

E. Landlord and Tenant agree to the following:

1. *Alterations.* Any physical additions or improvements to the Premises made by Tenant will become the property of Landlord. Landlord may require that Tenant, at termination of this Lease and at Tenant's expense, remove any physical additions and improvements, repair any alterations, and restore the Premises to the condition existing at the Commencement Date, normal wear excepted.

2. *Abatement.* Tenant's covenant to pay Rent and Landlord's covenants are independent. Except as otherwise provided, Tenant will not be entitled to abate Rent for any reason.

3. *Release of Claims.* TENANT RELEASES LANDLORD FROM ALL CLAIMS OR LIABILITIES FOR ANY INJURY TO TENANT OR TO TENANT'S PROPERTY LOCATED ON THE PREMISES. **THE RELEASE IN THIS PARAGRAPH WILL APPLY EVEN IF THE DAMAGE OR LOSS IS CAUSED IN WHOLE OR IN PART BY THE ORDINARY NEGLIGENCE OR STRICT LIABILITY OF LANDLORD BUT WILL NOT APPLY TO THE EXTENT THE DAMAGE OR LOSS IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF LANDLORD.** THE TENANT

WILL BE RESPONSIBLE FOR ANY DEDUCTIBLE OR UNDER ITS PROPERTY INSURANCE. TENANT WILL NOTIFY ITS ISSUING PROPERTY INSURANCE COMPANIES OF THE RELEASE SET FORTH IN THIS PARAGRAPH AND WILL HAVE THE PROPERTY INSURANCE POLICIES ENDORSED, IF NECESSARY, TO PREVENT INVALIDATION OF COVERAGE. THIS RELEASE WILL NOT APPLY IF IT INVALIDATES THE TENANT'S PROPERTY INSURANCE COVERAGE.

4. *Condemnation/Substantial or Partial Taking*

a. If the Premises cannot be used for the Permitted Use because of condemnation or purchase in lieu of condemnation, this Lease will terminate.

b. If there is a condemnation or purchase in lieu of condemnation and this Lease is not terminated, the Rent payable during the unexpired portion ofthe Term will be adjusted as may be fair and reasonable.

c. Tenant will have no claim to the condemnation award or proceeds in lieu of condemnation.

5. *Landlord's Lien.* Tenant grants to Landlord a security interest in the collateral to secure performance by Tenant of all obligations and payments due from Tenant under this Lease. The collateral will include all of Tenant's _____, and personal property located or to be located on the Premises, and all products, proceeds, offspring, increase, governmental payments and insurance proceeds relating to such property. This Lease is a security agreement under both chapter 9 of the Texas Business and Commerce Code and the federal Food Security Act of 1985. Tenant agrees to furnish to Landlord a list of the names and addresses of any buyer, commission merchant, or selling agent to or through whom Tenant may sell the collateral. Tenant agrees to notify Landlord of the identity of any buyer, commission merchant, selling agent, or warehouse to or with whom Tenant intends to sell or store the collateral within seven days before any sale or storage of the collateral.

6. *Default by Landlord/Events.* A default by Landlord is the failure to comply with any provision of this Lease that is not cured within thirty days after written notice.

7. *Default by Landlord/Tenant's Remedies.* Tenant's remedies for Landlord's default are to terminate this Lease and sue for damages.

8. *Default by Tenant/Events.* Defaults by Tenant are (a) failing to perform maintenance duties accepted in lieu of Rent; (b) abandoning or vacating a substantial portion of the Premises; and (c) fling to comply within ten days after written notice with any provision of this Lease other than the defaults set forth in (a) and (b) above.

9. *Default by Tenant/Landlord's Remedies.* Landlord's remedies for Tenant's default are to (a) enter and take possession of the Premises, after which Landlord may relet the Premises on behalf of Tenant and receive the Rent directly by reason ofthe reletting, and Tenant agrees to reimburse Landlord for any expenditures made in order to relet; (b) enter the Premises and perform Tenant's obligations; and (c) terminate this Lease by written notice and sue for damages. Landlord may enter and take possession of the Premises by self-help, by picking or changing locks if necessary, and may lock out Tenant or any other person who may be farming the Premises, until the default is cured, without being liable for damages.

10. *Default/Waiver/Mitigation.* It is not a waiver of default if the non-defaulting party fails to declare immediately a default or delays in taking any action. Pursuit of any remedies set forth in this Lease does not preclude pursuit of other remedies in this Lease or provided by law. Landlord and Tenant have a duty to mitigate damages.

11. *Holdover*. If Tenant does not vacate the Premises following termination of this Lease, Tenant will become a tenant at will and must vacate the Premises on receipt of notice from Landlord. No holding over by Tenant, whether with or without the consent of Landlord, will extend the Term.

12. *Alternative Dispute Resolution*. Landlord and Tenant agree to mediate in good faith before filing a suit for damages.

13. *Attorney Fees.* If either party retains an attorney to enforce this Lease, the party prevailing in litigation is entitled to recover reasonable attorney's fees and other fees as are ordered by a court of competent jurisdiction as equitable and just.

14. *Venue.* Exclusive venue is in the county in which the Premises are located.

15. *Entire Agreement.* This Lease, together with the attached exhibits and riders, is the entire agreement of the parties, and there are no oral representations, warranties, agreements, or promises pertaining to this Lease or to any expressly mentioned exhibits and riders not incorporated in writing in this Lease.

16. *Amendment of Lease.* This Lease may be amended only by an instrument in writing signed by Landlord and Tenant.

17. *Limitation of Warranties.* **THE PREMISES ARE LEASED TO AND ACCEPTED BY TENANT IN ITS PRESENT CONDITION, AS IS, WHERE IS, WITH ALL FAULTS AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED. THE LEASE OF THE PREMISES IS WITHOUT ANY EXPRESS OR IMPLIED WARRANTY, REPRESENTATION, AGREEMENT, STATEMENT OR EXPRESSION OF OPINION (OR LACK THEREOF) OF OR WITH RESPECT TO: (A) THE CONDITION OF THE PREMISES OR ANY**

ASPECT THEREOF, INCLUDING, WITHOUT LIMITATION, ANY AND ALL EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTEES RELATED TO SUITABILITY FOR HABITATION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE; (B) THE INCOME TO BE DERIVED FROM THE PREMISES; (C) THE COMPLIANCE WITH ORDINANCES OR REGULATIONS OF ANY APPLICABLE GOVERNMENTAL AUTHORITY OR BODY; (D) THE SOIL CONDITIONS, WATER, DRAINAGE, TOPOGRAPHICAL FEATURES OR OTHER CONDITIONS OF THE PREMISES OR WHICH AFFECT THE PREMISES; (E) ANY CONDITIONS RELATING TO OR ARISING FROM ANY ARCHEOLOGICAL OR HISTORIC SITE, CEMETERY, BURIAL GROUND, ENDANGERED SPECIES HABITAT, OR OTHER SUCH CONDITION WHICH MAY AFFECT THE PREMISES; (F) AREA, SIZE, SHAPE, CONFIGURATION, LOCATION, CAPACITY, QUANTITY, QUALITY, VALUE, CONDITION OR COMPOSITION OF THE PREMISES; (G) THE MANNER OR QUALITY OF THE CONSTRUCTION OR MATERIALS, IF ANY, INCORPORATED INTO THE PREMISES; (H) THE MANNER, QUALITY, STATE OF REPAIR OR LACK OF REPAIR OF THE PREMISES; (I) ANY ENVIRONMENTAL, GEOLOGICAL, METEOROLOGICAL, STRUCTURAL OR OTHER CONDITION OR HAZARD OR THE ABSENCE THEREOF HERETOFORE, NOW OR HEREAFTER AFFECTING IN ANY MANNER ANY PORTION OF THE PREMISES; AND (J) ALL OTHER EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES BY LESSOR WHATSOEVER. TENANT HAS MADE ITS OWN PHYSICAL INSPECTION OF THE PREMISES AND HAS SATISFIED ITSELF AS TO THE CONDITION OF THE PREMISES FOR TENANT'S INTENDED USE.

18. *Notices*. Any notice required or permitted under this Lease must be in writing. Any notice required by this Lease will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this Lease. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein.

19. *Other Interests.* This Lease is subordinate to any validly existing liens, easements, rights-of-way, and prescriptive rights, whether of record or not; all presently recorded and validly existing restrictions, reservations, covenants, conditions, oil and gas leases, mineral interests outstanding in persons other than Landlord, and other instruments, which affect the Premises. Tenant shall ascertain the location of all such easements and Tenant's operations shall not damage or interfere with the same. Landlord will not be liable to Tenant for any damages for actions attributable to those agreements and will receive all consideration paid for such easements. Any portion of the Premises may be within any road or roadway.

20. *Landlord's Use.* Landlord retains the right to enter on and use and/or permit third parties to enter on and use the Premises for uses that do not materially interfere with Tenant's

grazing rights.

RE: **Consider Granbury Chamber of Commerce, Granbury Association of Realtors, and Granbury ISD's Joint Resolution on Property Tax Appraisal Caps**

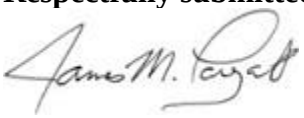

SUMMARY:

This is a joint resolution with the Chamber of Commerce and the Granbury Association of Realtors. I think it is always helpful if we join forces with other non-education groups when possible, to show we are not just worried about schools.

RECOMMENDATION:

It is recommended that the Board adopt Granbury Chamber of Commerce, Granbury Association of Realtors, and Granbury ISD's Joint Resolution on Property Tax Appraisal Caps.

Respectfully submitted,

Dr. James M. Largent
Superintendent

Granbury Chamber of Commerce,
Granbury Association of Realtors, and Granbury ISD's
Joint Resolution on Property Tax Appraisal Caps 01.31.17

Whereas, some legislators want to lower the current 10% appraisal cap rate to 3% or 5% under the guise of limiting the property tax bill of a residential homestead, and

Whereas, artificially limiting the appraisal value of a home through government overreach sets a dangerous precedent, and

Whereas, these proposals would virtually guarantee an automatic annual increase in a property tax bill, and

Whereas, value increases in real property are signs of a robust local and state economy leading to greater wealth building, and

Whereas, home ownership has long been a tried and true means of building wealth;

Now Therefore Be It Resolved, that the Board of Directors of the Granbury Chamber of Commerce, the Board of Directors of the Granbury Association of Realtors, and Granbury ISD oppose ongoing efforts to reduce the property-tax appraisal cap from its current level of 10%.

RE: Consider Approval of Joint Legislative Priorities

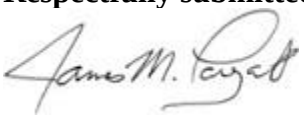

SUMMARY:

This may appear to some to be overkill, but this is the list of legislative priorities that the Chamber of Commerce put out, that includes the priorities for our schools as well. I just think it never hurts to join forces with our community and show our local legislators what their district thinks.

RECOMMENDATION:

It is recommended that the Board approve the Joint Legislative Priorities.

Respectfully submitted,

GRANBURY CHAMBER OF COMMERCE
GOVERNMENT AFFAIRS COMMITTEE 2017 LEGISLATIVE AGENDA

The Granbury Chamber of Commerce (GCC) serves the vibrant town of Granbury and Hood County, Texas, boasting nearly 900 members who represent more than 15,000 employees. In understanding the impact that legislation and public policy issues have on all businesses represented in our community, the Granbury Chamber Government Affairs Committee (GAC) has developed a list of legislative priorities that will serve as an informative guide for our members, local leadership and statewide elected officials through which the GAC will voice the position of the Granbury Chamber of Commerce on public policy issues.

FAIR BUSINESS TAXES

The Granbury Chamber of Commerce advocates for fair business taxes and tax incentives to encourage responsible and timely small, medium and large business growth, which stimulates hiring and increases revenues. The Chamber works to establish policy positions that promote a healthy business climate and sustainable revenue. The Chamber's goal is to inform and educate membership about business tax implications and communicate the opinions, objections and importance to policy makers.

RESPONSIBLE LOCAL DEVELOPMENT AND GROWTH

The Granbury Chamber of Commerce works in tandem with local leadership to advocate for policies and initiatives that support strategic economic development for the City of Granbury and Hood County. The Chamber recognizes the importance of supporting legislation and local government action which encourages responsible growth, a strong business climate and thriving economic opportunities. We strongly oppose attempts to override local control in the form of reduced appraisal caps or other government overreach including attempts to reform our stable and reliable Title Insurance industry.

EDUCATION

The Granbury Chamber of Commerce works within the political realm to advocate positions important to education for future economic growth, including adequate funding mechanisms to meet the growth demand of the local educational system. The Chamber supports the Granbury ISD as it continues to provide standards of excellence for educational programs and facilities to prepare its students to be college or workforce ready. GCC specifically supports the Granbury ISD Top 4 Legislative Priorities as enumerated in attachment (1).

AFFORDABLE AND DEPENDABLE ENERGY

The Granbury Chamber of Commerce recognizes the necessity of affordable, dependable energy to promote economic development and growth. The Chamber provides a voice and advocacy on behalf of business for policies, laws and regulations that promote low-cost and reliable power supplies. Actions are supported that will serve to increase power generation in Texas in the future to accommodate demand growth. Development of clean energy supplies should be promoted without new mandates or other actions that may reduce reliability or increase costs.

HEALTHCARE REGULATION

The Granbury Chamber of Commerce supports innovative, business-friendly solutions to the ever-changing health care environment. The Chamber seeks to promote solutions that decrease cost, expand access, and increase the quality of healthcare for the Granbury business community and its members that will mitigate rising costs and regulations.

TRANSPORTATION

The Granbury Chamber of Commerce supports transportation infrastructure that will serve to improve future economic growth, including adequate funding mechanisms to meet demand and projected growth. Deteriorating roads and traffic congestion has increased the price of doing business through higher maintenance costs, wasted fuel and delayed shipments. Local, State and Federal investment in transportation infrastructure plays an essential role in protecting public safety and promoting commerce at the local level.

WATER REGULATION AND SUPPLY

The Granbury Chamber of Commerce understands the importance of water as it relates to local community growth and the economic health of the region. High quality, affordable and abundant water supply and healthy infrastructure are necessary for the city of Granbury and Hood County's continued growth and expansion. The Chamber supports fiscally responsible policies, laws and regulations at the local, state and federal level that promote expansion and rehabilitation of infrastructure and the availability of water resources. The Granbury Chamber of Commerce works with local and statewide partners to advocate for policies and projects that increase quantity and improve quality of water in the city of Granbury and the region.

SCHOOL FINANACE

We support meaningful changes to the Texas school finance system that decrease the reliance on recapture, provide an adequate education for all students pre-K-12, eliminate unfunded mandates and accurately reflect the cost of education based on the needs of the student populations served.

VOUCHERS, TAXPAYERS, TAXPAYERS SAVINGS GRANTS, OR TUITION REIMBURSEMENT

We believe vouchers, taxpayer savings grants, savings accounts, tuition reimbursements and other diversions of public money would be detrimental to all Texas public schools. State or taxpayer funds should not be diverted to schools that are not held to the same accountability and transparency standards as Texas public schools.

ASSESSMENT AND ACCOUNTABILITY

We continue to be concerned about state testing and how it is used to label students and districts. We should look beyond high-stakes, multiple-choice, developmentally inappropriate exams and we oppose the A-F campus and district labeling system that ignores the complexity of public schools and pits campuses against each other.

LOCAL CONTROL

We continue to advocate for less intrusive state government as we believe the best outcomes occur when the state partners with locally elected school boards, who are directly accountable to all students, parents, local taxpayers and local businesses.

RE: Consider Granting Easement to the City of Granbury on AMS Property

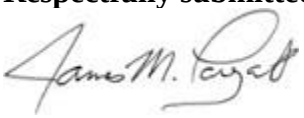

SUMMARY:

The City is requesting an easement on the border of our AMS property so they can add a water line. We do not believe it interferes with our plans, and they will compensate us for the easement. Rick Crownover, Public Works Director with the City will be at our meeting if any of you have questions. Our attorney is cleaning up the language and we will have the complete, revised easement agreement ready for Monday's meeting.

RECOMMENDATION:

It is recommended that the Board approve the Easement to the City of Granbury on AMS Property.

Respectfully submitted,

Dr. James M. Largent

EASEMENT AGREEMENT

STATE OF TEXAS §
§ **KNOW ALL MEN BY THESE PRESENTS:**
COUNTY OF HOOD §

COMES NOW the CITY OF GRANBURY (hereinafter the "City"), a home rule municipal corporation of Hood County, Texas, and GRANBURY INDEPENDENT SCHOOL DISTRICT (hereinafter the "Grantor") and such parties do hereby make an Easement Agreement for certain municipal services and activities by the granting of an Easement upon the real property described below, for the provision of public services and, in order to effectuate this Agreement, do hereby furthermore agree to the following:

a. **Easement**. The Easement Property (hereinafter the "Easement Property") is to be over a certain section of land as shown in the attached Exhibits "A" and "B" for the purposes of providing municipal services and shall be in perpetuity and for the purposes and consideration expressed herein.

b. The City is hereby authorized to use the Easement Property for whatever municipal purposes are necessary or as more particularly described as: for installation, construction, operation, maintenance, replacement, repair, upgrade, or removal of municipal water lines and related facilities, including appurtenances associated with construction and operation of municipal water lines.

c. **Consideration**. Consideration for this Easement is hereby agreed between the parties to be fully and sufficiently conveyed and exchanged, the receipt of which is hereby acknowledged by the Grantor.

d. The Easement in question is hereby subject to the following special terms and conditions:
    1. The Easement Property may be cleared for construction purposes.
    2. Existing improvements located in the Easement Property will be replaced or repaired to existing condition if disturbed during construction.

e. Grantor hereby covenants, and such covenant is hereby to run with the land, that it will neither impose nor tolerate any encumbrances of any sort upon the surface or subsurface of the land which is the subject of said easement and further covenants that it will be responsible and indemnify said City of Granbury for any such encumbrances there allowed or tolerated upon the surface of the land should they cause any difficulties or expense to the City of Granbury during any normal use, modification, repair, upgrading or other activities associated with the Easement.

In order to effectuate the full and proper exchange and establishment of such Easement, the parties hereby set their hands this _____ day of _____, 2017, and do hereby stipulate that they are fully authorized to do so, make such commitment of their own free will for the purposes and considerations expressed above.

	RE:	State Expedited Waivers

SUMMARY:

A school district may apply to the Commissioner of Education for a waiver regarding staff development and early release days. The strategic planning process has defined a need to provide staff time for collaboration. The Early Release Waiver will fill that need. Professional development is critical due to state curriculum changes and the pedagogical shifts with Project Based Learning (PBL). A general staff development waiver and a subject based staff development waiver will be beneficial to address those needs. One day of the subject based staff development waiver will address English Language Arts and then one day will address Math for a total of two days with that waiver.

RECOMMENDATION:

It is recommended that an Early Release Waiver of 7 days, a Staff Development Waiver of 3 days, and a Staff Development Waiver – Subject Based of 2 days be approved.

RE: 2017-18 Budget Assumptions & Calendar

SUMMARY:

I have attached the budget assumptions we are proposing to use as we develop the budget for the 2017-18 school year. I have also included the budget calendar. As you are aware, the Texas Legislature is currently in session and school finance is once again a major topic of discussion. Of course, we are keeping a watchful eye on all proposed legislation pertaining to education. However, from a financial perspective, we are paying very close attention to those bills and discussions pertaining to recapture and ASATR. And as is always the case in a legislative year, these assumptions may change as a result of action (or inaction) taken by the Texas Legislature. So stay tuned….

Should you need additional information, please let me know.

Budget Process and Assumptions Guiding the Development of the General Fund Budget 2017-2018 Fiscal Year

Fiscal Year

The fiscal year will run from September 1, 2017 to August 31, 2018.

Fund Balance

The general operating unassigned fund balance is projected to increase for the current fiscal year 2016-17 due to a projected 1% to 3% spending lapse, savings in other areas of the budget, as well as a .50% to 1% increase in enrollment. The fund balance is within the District's fund balance policy limits; however, there remains uncertainty related to State funding for future years due to pending legislation. In addition to the unassigned fund balance, the District currently has $4.2 million identified as committed fund balance.

- Construction and Remodel - $2,400,000
- Capital Expenditures for Vehicle and Equipment - $1,200,000
- Other Purposes – Instructional Improvement Fund - $600,000

Committed funds are constrained to a specific purpose by the Board of Trustees and require Board action to commit and un-commit. Campus and department requests to utilize fund balance for needed improvements and purchases (summer projects) will be considered by administration for possible presentation to the Board for action and implementation. Consideration of summer projects will be based on currently available funds and fund balance policy constraints as well as future fund balance projections and other issues that may impact fund balance and future district operations. Depending on the amount of the anticipated increase to fund balance as well as the total costs of any approved summer projects, committed fund balance may need to be increased to keep the District at or below our optimum fund balance as determined by our auditors at year end.

Administration will make recommendations to manage unassigned as well as committed fund balances for district needs over the next few years so as to maintain balance levels dictated by policy and appropriate to maintain an optimal fund balance for auditing purposes.

Revenue

The **taxable value** of property is projected to increase slightly for 2017-18. However, the current State funding process for GISD does not rely as heavily on taxable value as it did under the old "Formula Funding" rules used prior to the implementation of "Target Revenue" and "Additional State Aid for Tax Reduction" (ASATR). As such, due to GISD's Chapter 41 status, revenues from property value increases are offset by a reduction in State revenue and/or an increase in recapture payments to the State on the expenditure side. Basically, the only increases in revenue for GISD under current law comes from increases in student enrollment. However, this will likely change as the State moves away from the Target Revenue System and ASATR and as the Legislature makes changes to school funding, and recapture in particular.

The maintenance and operations **tax rate** is at the State maximum rate allowed of $1.04 without an election.

Tax collection ratios will be **99 percent**, based on past history and current economic conditions.

Projected student growth of 1**%** will be used for state revenue calculations for 2017-18. Student enrollment at the beginning of February was 7,050 as compared to 6,981 for the same time period last year. This represents an increase in enrollment of 69 students, or 0.99%, over

the same time period last year. Average Daily Attendance (ADA) at the end of the 1st semester this year was 6,644.04 as compared to 6,570.73 at the end of the 1st semester in 2015-16. This represents an increase in ADA of 73.31, or 1.12%, over the same time period last year. Student attendance was up 0.04% at the end of the 1st semester this year as compared to the same time period last year.

GISD will continue to receive **state funding**. Based on current enrollment data, GISD is anticipating a recapture payment of approximately $3,009,310 to the State for 2016-17. And based on current law, recapture is estimated at $4,099,169 for 2017-18. If student enrollment and ADA grows higher than anticipated, the recapture amounts will not be fully recognized. Additional State Aid for Tax Reduction (ASATR) received from the State is currently estimated at $1,773,376 for 2016-17. And unless the Legislature acts to extend it, the 2016-17 school year will be the last year districts receive ASATR. Based on current law, the amount of ASATR the district will lose in 2017-18 is estimated at $2,120,218. Due to the anticipated loss in ASATR and even with a projected student enrollment growth of 1%, M&O revenues for 2017-18 are currently projected to be $1,917,607 less than 2016-17 M&O revenues.

Additional sources of funding will continue to be pursued.

Expenditures

A **per pupil allocation** will be calculated for each school based on projected enrollment by grade. Funding considerations maintaining a per pupil allocation will be included in the 2017-18 budget.

The same Central Office and Department allocations as last year will be included in the 2017-18 budget.

Needs above allocations will be presented by Budget Managers for consideration by the Superintendent for inclusion in the budget.

Long range facility needs will be reviewed and incorporated into the budget process as appropriate.

Continued emphasis on **function 11 expenditures** will be made in building the budget so that GISD will be in line with the state average for these expenditures.

Salaries & Benefits

Staffing Formulas previously approved by the board will be used. Each position that is vacated will be reviewed by the Superintendent as to whether or not it will be maintained for future years. New positions will be added to meet the needs of GISD students after extensive research and consideration by the Superintendent. Reallocation of existing staff will be the first line of support if appropriate.

GISD teacher salary rankings with area districts will continue to be reviewed as well as information received from an independent salary review performed by TASB a few years ago. Dependent upon the total staffing plan and available funds, as well as information received from a TASB salary review and other sources, salary increases will be addressed as appropriate.

Continued emphasis on increasing the number of teachers with advanced degrees in subject areas will be made when developing salary schedules and recruiting of new staff.

Salary schedules for other district employees will continue to be reviewed to be in line with market rankings for like type jobs and adjusted to reflect related market changes and changes to teacher salary schedules. Emphasis will be on campus level personnel when developing these

salary schedules and related mid-point increases. The results of the salary study by TASB will also be a factor as well as information received from other sources in determining salary schedules for other district employees.

District Insurance contribution will be maintained at $350/month.

Long-Range Planning

Three-year projections will be maintained to analyze the effects of fiscal year 2017-18 revenue and expenditure decisions.

Ongoing Financial Management

The budget process will be structured to **identify programs and activities that can be reduced or eliminated** with little or no impact on operations or teaching and learning.

RE: Consider Approval of Procurement Methods for Proposed Summer Construction Projects

SUMMARY:

The Granbury ISD principals and directors have provided the Facilities Department and Business Office with their summer project requests.

Texas Education Code 44.031 allows the purchase of goods and services through an interlocal contract. The summer projects that are not considered construction will be procured through various contracts available to us through our interlocal agreements. The projects that are considered minor construction will be procured using the job order contract method available under Government Code 2269 or by Competitive Sealed Proposal (CSP) as indicated on the attached. Under Government Code 2269 the Board of Trustees must approve the method of procurement for construction projects prior to the start of procurement. The job order contracts under an interlocal have all been competitively procured as required by TEC 44.031. Once pricing for these construction projects is obtained, administration will re-submit them to the board for final approval, along with the other non-construction summer project requests. A budget amendment request will also be submitted to the board at that time since the summer projects will need to be paid from fund balance.

RECOMMENDATION:

It is recommended the Board of Trustees approve the procurement method of a Job Order Contract through an interlocal or Competitive Sealed Proposal (CSP) for the construction projects as indicated on the attached.

RE: Bond Expenditure Update
As of January 31, 2017

SUMMARY:

Attached are bond expenditures through the period ended January 31, 2017. Expenditures are divided into two categories - "Construction" and "Other Areas". The Construction category includes expenditures related to the construction or renovation/remodeling of buildings. The Construction category also includes a breakdown of expenditures by vendor. The Other Areas category includes expenditures for non-construction related expenditures from bond funds.
