**Award Bid For Office Supplies - Catalog Discount**

Presented for:

Board action  Report/Review Only  Consent Agenda Item

Supporting documents:

None  Attached  Provided Later

Contact Person:

Gary W. Williams

Background Information:

The district receives bids each year for office supplies. The bid that is requested is for percent discount off of a vendor's published catalog price. This year, the district received bids on August 1, 2006. A tabulation is attached for your review. A multiple award is used; that is, all bids are accepted. The reason for a multiple award is that no vendor can supply all items, and also because catalog prices vary. For example, a 10% discount from vendor "A" may be less than a 15% discount from vendor "B", because the catalog price from "A" may be less than the catalog price of "B". A multiple award allows the schools and departments to "shop" for the absolute lowest price.

Fiscal Implication:

The district spends in excess of \$100,000 for office supplies annually.

Administrative Recommendation:

It is recommended that the Board award the bid for Office Supplies - Catalog discount to the vendors listed at the stated discount percentage.

Education Code, Chapter 37 and the Interlocal Cooperation Act, V.T.C.A. Government Code, Chapter 791 upon the following terms and conditions:

- (1) Purpose: The purpose of this Agreement is to establish, govern and operate the McLennan County Challenge Academy (hereinafter "Academy") and to provide alternative education programs (AEPs), including a juvenile justice alternative education program (JJAEP), for students, school districts and the juvenile board in McLennan County, Texas pursuant to V.T.C.A. The Chairman of the Juvenile Board shall select this representative. The representative will serve a one-year term as a voting member of the MCCA Governance Board.

The thirteen (13) member Governance Board shall serve as the legally constituted governing body for the McLennan County Challenge Academy. Those members who are annually appointed or elected shall be so elected or appointed by November 1 of each calendar year. The Chairperson of the Governance Board may cast a tie-breaking vote if the ISDs in any Zone otherwise cannot select a superintendent to represent the Zone on the Board. The one-year term for those members shall run from November 1 of the current year to October 31 of the following year.

The Academy's Governance Board shall meet at the call of the Chairperson, the Superintendent of the fiscal agent, or upon the written request of any two members of the Board delivered to the Chairperson. - (6) Other policies or procedures as appropriate to the governance of the MCCA and as necessary to obtain approval of the Texas Juvenile Probation Commission.

**Attachment "2"****SERVICES, DUTIES, COMPENSATION AND FUNDING,  
OPERATIONS, RIGHTS, AND RESPONSIBILITIES**

1. Funding of Academy.
  - (a) Funding for Juvenile Justice Alternative Education Program (JJAEP): Pursuant to §37.011 of the Education Code, the Juvenile Board is required to provide a JJAEP for students who have been found to have engaged in conduct described in §37.007 of the Education Code. The Academy will meet this requirement for the Juvenile Board by providing a JJAEP as part of the Academy system. For those students whose expulsion was **discretionary** (§37.007 (b), (c), and (f) of the Education Code), the JJAEP placement shall be funded by the ISD receiving ADA funding and if the student is not enrolled, the residing address determines the school district responsible for funding the student placed in the JJAEP based on a rate established by the Academy's Governance Board. For those students adjudicated for delinquent conduct who are **judicially placed** in the JJAEP, the placement shall be funded by the ISDs having students placed in the JJAEP based on a rate established by the Academy's Governance Board. For those students whose expulsion was **mandatory** (§37.007 (a), (d), and (e) of the Education Code), the JJAEP placement shall be funded by the McLennan County Juvenile Board with funds provided contractually through the Texas Juvenile Probation Commission. The revenue source for the JJAEP shall be kept separately by the fiscal agent.
  - (b) Funding for Alternative Education Programs (AEP): Programs for students residing in the Logue Juvenile Detention Center will be provided at the Logue Center in accordance with the existing practice of providing education programs and staff at the detention facility, at the expense of and with the cooperation of the Independent School Districts (hereinafter "ISD"). Each ISD shall allocate and pay to the Academy for the provision and operation of the AEP a daily sum determined pursuant to a rate adopted by the Academy's Governance Board (subject to adjustment by the MCCA Governance Board within said year) during each calendar year of this Agreement. The rate established, and the sum arrived at by application thereof, must be at least equal to the amount required by Chapter 37, Education Code. Each ISD shall be billed monthly for every day of attendance by the ISDs' students enrolled in the Academy. AEP placement shall be funded by the ISD receiving ADA funding. If the student is not enrolled, the residing address determines the school district responsible for funding the student placed in the AEP. In addition, La Vega ISD makes available to MCCA Title One, Part D, Sub Part 2 funds for instructional materials.
  - (c) Payments. Monthly payments shall be made to the Waco ISD, as the fiscal agent for the Academy (or any successor Fiscal Agent) not later than the tenth (10th) day of the month following the date of billing. The payment should be sent to the Assistant Superintendent for Business and Support Services at Waco ISD, P.O. Box 27, Waco, Texas, 76703. Deficiency payment after adjustment shall be sent to the same officer and address.
  - (d) Failure to Pay -- Remedies. In addition to any other remedy available in law or in equity, the Academy shall have the right to refuse to accept students from an ISD if the ISD responsible fails to timely pay amounts due and owing hereunder and continues to fail and/or refuse to pay such amounts after ten (10) days' notice and opportunity to cure.

- (e) No Authority to Bind. The Academy's Governance Board, the parties to this Agreement, the fiscal agent or any officer, employee or agent of any of them shall have no power or authority to bind any party hereto to any obligation made or incurred by any of them or to any obligation, financial or otherwise, arising from their acts or omissions. Any expenditure or obligation with regard to the Academy, beyond that required to be paid hereunder by the ISDs for AEP and JJAEP services to be provided at the Academy, shall not be a responsibility or obligation of any party hereto unless such expenditures or obligations are approved by that party's governing body.

## 2. Services.

- (a) Juvenile Justice Alternative Education Programs and Alternative Educational Programs. The Academy will provide AEP and JJAEP programs in accordance with Chapter 37 of the Education Code and the standards and regulations of the State Board of Education and the Texas Juvenile Probation Commission. An operations manual and a code of conduct shall be created and adhered to which must be approved by the Academy's Governance Board. The policies and codes for the JJAEP must also be approved by the Juvenile Board. All such policies and codes of conduct are also subject to prior approval of any state agency, board or commission to which such matters are directed to be submitted for approval by Chapter 37 of the Education Code and/or the regulations promulgated thereunder, or under the terms of the grant for this project, or pursuant to any other applicable federal, state, or local law or regulation.
- (b) Supervision and Monitoring of Students in the JJAEP. Expelled or delinquent juveniles may be placed in the Academy's JJAEP only after approval of such program or programs by a vote of the Juvenile Board. In the event of such approval, the Juvenile Board, by and through the Juvenile Probation Department, will provide probation and/or detention officers to monitor the students in the JJAEP. The extent and nature of said monitoring shall lie in the discretion of the Juvenile Board and/or the Chief Probation Officer of the Juvenile Probation Department and shall be subject to availability of existing staff of the Juvenile Probation Department. The provision of these officers is not a guarantee of the security of teachers, Academy personnel or other students. Likewise, these officers are provided solely for the JJAEP, and are not intended to provide detention or security services in any other program.
- (c) Supervision and Monitoring of Students in the AEP. Students placed in the AEP at the Logue Center will be supervised and monitored by detention officers provided by the Juvenile Probation Department, in accordance with the standards of the Texas Juvenile Probation Commission.
- (d) Mandatory and Discretionary Grounds for Expulsion. (Subject to change by legislation) If a student commits an offense that falls under §37.007(a), (d), or (e), then the ISD by law must expel the student, and the grounds for expulsion are considered **mandatory**. Mandatory offenses are outlined in the student handbook.

If a student is expelled from school for an offense that falls under §37.007(b), (c), or (f), then the grounds for expulsion are considered **discretionary**. Discretionary offenses are outlined in the student handbook.

Serious and persistent misconduct defined. (Subject to change by legislation) Section 37.007(c) of the Education Code allows "serious and persistent misconduct" as a basis for discretionary expulsion from

a school district AEP into the JJAEP. A student may be expelled for engaging in serious or persistent misbehavior that violates the District's Student Code of Conduct, while placed in a DAEP. The District defines "persistent" as two or more violations of the Student Code of Conduct in general or repeated occurrences of the same violation.

In an emergency, the principal or the principal's designee may order the immediate expulsion of a student for any reason for which expulsion may be made on a non-emergency basis.

- (e) Term of Placement for the JJAEP. Each student's term of placement should be clearly expressed as a number of days in the expulsion letter prepared by the expelling ISD. The term of placement will be a flexible term and may be lengthened or shortened according to the policies and procedures outlined in the Student Code of Conduct.
- (f) Expelled Students over the Age of 16. Although a student expelled on or after his/her 17th birthday will not enter the Academy through the juvenile probation department, such a student may be served by the JJAEP. If the student is expelled on a **mandatory** basis, he/she must be ordered into the JJAEP by the adult probation department as a condition of probation. The student will remain in the JJAEP for the term of placement described in (f) above, unless otherwise ordered by the adult probation department. If the student is expelled on a **discretionary** basis, he/she may attend the JJAEP, remaining in the program for the term of placement described in (f) above. However, the Academy reserves the right to return a student expelled on a discretionary basis to the ISD if the student persistently refuses to abide by the Academy's Student Code of Conduct.
- (g) Special Education Services. Students with disabilities who are placed in the JJAEP or AEP will be afforded education services determined by a duly constituted Admissions Review and Dismissal Committee to be appropriate for the student to receive a free and appropriate public education as defined by Federal and State Laws. Both those educational and non-educational services to be provided in accordance with the student's Individual Education Plan and/or Individual Transition Plan which are not statutorily required to be provided by the JJAEP shall be provided by the school district. The expelling ISD shall provide the JJAEP with reasonable notice of the manifestation ARD and a representative of the JJAEP may participate in the meeting to the extent that the meeting relates to the student's placement in the program. A JJAEP representative shall be given an opportunity to attend ARD meetings held for all students currently enrolled. If the Director of Operations has concerns that a student's academic or behavioral needs cannot be met in the program, written notice will be sent to the student's home ISD requesting an ARD to reconsider the placement of the student in the program.
- (h) Students on Medical Leave. If a student is diagnosed by a physician as physically unable to attend the Academy due to a medical disability, the Academy shall inform the ISD and shall be responsible for securing documentation from the physician. Provision of homebound educational services or other services required by a medical disability shall be the responsibility of the ISD.
- (i) Truancy. With the first unexcused absence without communication from the parent, a home visit and/or telephone call will be made. The parent will be informed of the necessity of contacting the school when the child is absent and to send a written excuse or doctor's excuse when the child returns to school. The consequences of excessive unexcused absences are also explained by verbal warning. With the second unexcused absence, a home visit may be made, a Warning Notice (CRT1) will be issued to the parent/guardian, and a referral will be sent to the

juvenile probation department. On the legal violation date, as outlined in 25.0951, a case will be prepared for court.

- (j) Transportation. The Academy will not provide transportation services. Member districts have the option of providing transportation services. Each party will bear the responsibility or liability for its own transportation services, and neither the Academy nor any other party hereto shall have any responsibility or liability therefor.
- (k) Transition Services for JJAEP Students. When a student is within 20 days of completion of, or release from, the program, the student begins the process of transition back to the ISD. Academy services which address the transition process include academic counseling, vocational counseling, and individual counseling (when indicated). Academy staff shall notify the school district one week prior to the student's scheduled return to the campus. Academy staff also facilitates referrals to community agencies and in-school programs when indicated. The Academy will not make decisions regarding the retention or promotion of a student returning to an ISD.
- (l) Maximum Enrollment for the JJAEP. Maximum enrollment for the JJAEP is 100 students. The JJAEP reserves the right to temporarily exceed the maximum enrollment. The JJAEP will guarantee a minimum number of slots for each participating district as set forth in Attachment "3". Slots not utilized may be temporarily filled by students from other participating districts. In the event of overcrowding, the JJAEP reserves the right to return any discretionary student to his or her home district prior to the completion of their term of placement.
- (m) Exceptions to Enrollment and Withdrawal of Discretionary Students. Discretionary students will not be enrolled in the JJAEP or withdrawn to return to their home campus during the two weeks prior to the end of the spring semester nor during any week students of their grade level have state testing scheduled. Discretionary students will not be withdrawn to return to their home campus during the two weeks prior to the end of the fall semester.
- (n) Expulsion Packet Requirements. Prior to the enrollment of a student into the JJAEP, the ISD in which the student resides shall provide to MCCA a copy of:
- The order of expulsion including reason for expulsion and term of placement;
  - Parent contact information;
  - Birth certificate;
  - Attendance and disciplinary records;
  - Special programs information and appropriate records showing transfer to MCCA including, but not limited to, 504, Special Education, and ESL;
  - Transfer grades/average for each class;
  - Current transcript for high school students;
  - Graduation plan for high school students;
  - Most recent report card;
  - Social Security card or state issued number;
  - Immunization record;
  - Police offense report if applicable;
  - State assessment scores;
  - Home language survey.

3. Administrative Expenses of Fiscal Agent. The fiscal agent shall be reimbursed for actual, reasonable and necessary administrative expenses at a rate of eight percent of the operating budget. The fiscal agent shall receive no fee or profit for its activities hereunder other than such expense reimbursement and the promise of each of the parties hereto to cooperate in this project.
4. Insurance. Nothing herein shall waive or reduce the sovereign immunity of the parties hereto, or broaden the limited waiver of immunity provided by the Texas Tort Claims Act. However, the fiscal agent shall, after approval of the Academy's Governance Board, purchase a policy or policies of liability insurance covering the Academy and its Governance Board from liability for acts, omissions or conditions in the operation of the Academy. The policy or policies should cover civil rights and related claims in addition to negligence claims. The parties hereto shall be named as additional insureds. The policy or policies shall be in at least the amount of \$500,000, and shall be written on a "claims-made" basis. The premiums for such policy/policies shall be paid out of the AEP and JJAEP funding to the extent not paid from other funding sources, and to the extent such funding is sufficient to cover the costs of the programs and pay the premiums. If sufficient funds are not available to pay the premiums, the ISDs shall pay the premiums based on a formula to be determined by the Academy's Governance Board and submitted to, and approved by the governing bodies of the parties hereto. Adequate provision shall be made for property insurance for building(s) in which the Academy conducts its operations unless the building(s) are leased, and the Academy is not required to provide such insurance or accept the risk of loss under the lease terms. Premiums for such insurance shall be funded in the same manner as set out above with regard to liability insurance.
5. Funding of other necessary expenses/obligations. To the extent that other approved expenses or obligations are incurred in, or are necessary for, the operation of the Academy, that exceed general funding and available grant funding, these expenses or obligations shall be paid by the ISDs on a basis determined by the Governance Board of the Academy and approved by the governing bodies of the ISDs.
6. Assets Upon Dissolution. If a party withdraws from the cooperative agreement, it shall waive its right to retake or recover any assets (or the value thereof) it has provided to the Academy, or for its operations, until such time as the Academy ceases to operate, or ceases to use such assets in its operations. Upon complete dissolution of the Academy, contributed assets shall be the property of the entity which made the contribution. All other assets will be divided by value on the basis of the proportionate funding of the Academy (including the provision of matching funds). For example, if one ISD has paid 25 % of the funding of the Academy since its inception, it would be entitled to 25 % of the non-contributed assets of the Academy operations. The distribution may be in kind, or the assets may be liquidated and sold with the proceeds, after satisfaction of any remaining obligations of the Academy, being distributed on the same basis. The manner of distribution and the plan for proportionate share distribution shall be mediated if the parties cannot reach an agreement thereon. The mediation shall be binding, and shall be conducted by a representative of the Texas Education Agency assigned by the Agency, or an agreed mediator if a TEA representative is not assigned to mediate the matter after a request to the TEA therefor.

Caveat: Assets procured with grant funds shall be the sole property of the Juvenile Probation Department of McLennan County upon dissolution, except to the extent that the grant or applicable law requires otherwise.

7. Grant Funding: A separate contract between the fiscal agent and the Juvenile Board will be entered into with regard to the administration of the grant funding procured by the Juvenile Board from the Criminal Justice Division of the Governor of the State of Texas. All parties agree that the fiscal agent shall provide the grant administration and shall be reimbursed for the costs incurred by it in doing so by the ISDs in the same manner as it is reimbursed for other administrative expenses, unless the grant funding provides for reimbursement of such expenses. The parties also agree that all "matching funds" required under the terms of the grant are to be paid/contributed to the project by the ISDs on agreed proportionate basis from funds generated from student attendance, and that the Juvenile Board shall not be responsible for providing such matching funds. It is further agreed that the grant funds and matching funds shall be used only for the purposes set forth in the grant, and grant application, and shall not be used in any other manner except with the express prior approval of the Juvenile Board, the Governance Board of the Academy, and the Grantor Agency.

Background Information:

La Vega ISD is in competition with all area districts to employ quality people. There are certain positions that are in very high demand and as a result, the salary scale for these positions has increased throughout the state and area. Many of these positions are in the area of Special Education but also include math, science, ESL and Bilingual and speech therapy. Because of this competition and the changing job market, it has become necessary to adjust some of the salaries of our current employees to meet the market demand. In some instances, pay changes are being recommended because the employees have completed certification or because of the desire to place the employees at the correct level with their peers who are doing the same job and have the same responsibilities. The recommended changes are: attached.

**Recommended Equity Pay Changes**

**Angela Ward-LSSP - increase of \$12,900.00**  
**Stacy Catera-Speech - increase of \$4,500.00**  
**Gail Mays-Diagnostician - increase of \$10,594.00**  
**Kristi Rizo-Instructional Facilitator - increase of \$6,000.00**  
**Linda Volz-Spec. Ed. Director - increase of \$4291.00**  
**Tom English-Director of Music - increase in stipend of \$4200.00**
