Consider Budget Amendments

Presented for:

Board action ☒ Report/Review Only ☐

Contact Person:

Ms. Diane Roepke

Background Information:

Section 2.10.6 of the Financial Accountability System Resource Guide, version 14.0, dated January 2010, states that budget amendments are mandated by the state for budgeted funds reallocated from one function level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and must be amended in the budget for legal compliance.

All budget amendments are required to be adopted by the last day of the fiscal year. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes.

Fiscal Implication:

Budget amendments are included that move from one function to another.

Administrative Recommendation:

It is recommended that the Board approve the attached Budget Amendments as presented.

Background Information:

As the District continues to make necessary adjustments in response to the emergence of the Coronavirus, the Superintendent is seeking in this Resolution the temporary suspension of current policies and guidelines for student grading, promotion, and class rank. In most cases, student grades will be calculated through the fourth six-weeks of school. The specifics of grades during school closures is fluid, and we will continue to develop procedures that are in the best interest of our students.

Our school attorney, Ms. Shellie Crow, has been consulted and instrumental in the development of the Resolution. The Resolution is comprehensive and reflects the knowledge, experiences, and recommendations of Walsh, Gallegos, Trevino, Russo, and Kyle P.C. The Resolution, in its broad nature, attempts to address a multitude of areas that could avail themselves as we navigate this pandemic.

If the Superintendent is granted additional authority, the Board will be made aware of actions as soon as possible. The pace at which the COVID-19 emergency is changing at an unbelievable pace requiring decisions to be made quickly, but thoughtfully. The additional authority will allow the Superintendent to act immediately and expeditiously on behalf of the students and staff of La Vega ISD.

Fiscal Implication:

It is not anticipated this Resolution will have a financial impact to the District's budget.

Administrative Recommendation:

The administration recommends Board approval of the Grading, Class Rank, and Promotion Authority Resolution during Emergency as defined in the document.

LA VEGA INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Board Resolution for Modification of Policies and Procedures on Grading, Promotion, Class Rank and Related Instructional Issues During Periods of School Closure Due to COVID-19

WHEREAS, the La Vega Independent School District Board of Trustees (the Board) recognizes that officials in the State of Texas and the United States Government have declared a disaster and emergency regarding Coronavirus/COVID-19 (COVID-19) and its potential spread; and

WHEREAS, the Board recognizes that COVID-19 is an unforeseen and unavoidable emergency of urgent public necessity, that the World Health Organization has declared COVID-19 a pandemic, and that additional emergency declarations may follow in the coming days and weeks; and

WHEREAS, the Board and District Administration are following advice and directives from federal, state and local authorities in responding to COVID-19; and

WHEREAS, due to the outbreak of COVID 19, the normal operations of the District closed on March 13, 2020, and Governor Abbott has ordered all schools remain closed through at least May 4, 2020; and

WHEREAS, the District has implemented procedures for continuity of instruction to the extent possible during the closure of its schools and/or suspension of normal District operations; and

WHEREAS, the District will be unable to resume normal instruction for an extended period of time and administering the current policies and guidelines for student grading, promotion, and class rank will be impossible or impractical; and

WHEREAS, the Board recognizes that disparity exists with regard to student access to technology and home learning environments and that temporary suspension or modification of certain policies and guidelines related to student grading, promotion, and class rank will ensure fairness in the process for all students; and

WHEREAS, Board Policy EIC (LOCAL) currently states that the determination of class rank, local recognition for top ten percent, and all related academic honors for graduating seniors ("Graduation Honors") shall be determined by averaging all eligible grades available as of the fifth six-week grading period; and

WHEREAS, due to the inability to provide normal instruction during the period of school closure, the calculation of grade point averages for graduating seniors, including the determination of Graduation Honors, shall be determined by averaging all eligible grades available as of the end of the fourth six-weeks grading period; and

WHEREAS, notwithstanding other provisions of this resolution, the District will continue to calculate class rank for purposes of applications to Texas institutions of higher education as required by state law; and

WHEREAS, Board Policy EIA (LOCAL) includes requirements and guidelines for student grading, student assignments to ensure mastery of course objectives, as well as progress reporting to parents every six weeks; and

WHEREAS, any requirement in Board Policy or regulation that students be issued numerical grades, that teachers provide a specific number of assignments or that the District issue regular progress reports shall be suspended until the District resumes normal instruction; and

WHEREAS, Board Policy EIE (LOCAL) includes minimum grade requirements and/or percentage standards for purposes of determining student retention, promotion, and the award of course credit; and

WHEREAS, student engagement and grades received prior to the school closure, as well as evidence of learning that demonstrates mastery of standards during distance instruction, may be used to determine whether a student has mastered the course objectives or grade level, and such information may be considered in making decisions regarding end of semester grades, student retention and promotion, and the awarding of credit; and

WHEREAS, these one-time modifications of Board policies and grading procedures are intended to ensure fairness to all students in light of the current unprecedented circumstances; and

WHEREAS, the Board will continue to provide controls and oversight for the District authority granted to the Superintendent herein, by requiring that the Superintendent timely report to the Board all actions taken under this grant of authority.

Now therefore it be resolved by the Board that:

1. The Board determines that a temporary modification of Board Policy EIC (LOCAL) shall be implemented to allow calculation of grade point averages, for all purposes in the policy, using those grades available as of the end of the fourth six-week grading period; and
2. The District shall continue to calculate class rank for purposes of applications to Texas institutions of higher education as required by state law; and
3. The Board determines that a temporary modification of Board Policies EIA (LOCAL) and EIE (LOCAL) may be implemented to allow a determination of “Mastered” and “Not Mastered” to serve in place of some or all numerical grades during the time of school closure, and that this standard may be used to assist in making decisions

regarding end of semester grades, retention and promotion, and the award of course credit; and

4. The Board hereby authorizes the Superintendent to take any other actions as necessary to fulfill the purpose of this Resolution and to determine procedures and standards for awarding grades for any grading period after the closure of school, including second semester grades, and suspend any other grading policies, procedures, regulations, rules or practices made impossible or impractical due to the school closure and issues related to distance learning; and
5. Any temporary modifications to or suspensions of policies, regulations, and procedures apply only for the 2019-2020 school year.

Consider, Discuss, and Take Appropriate Action Regarding the Board of Trustees of the La Vega Independent School District Regarding Unforeseen Operational Failure, Purchasing, and Delegation of Temporary Purchasing Authority to the Superintendent

Background Information:

The District, Community, State, Nation, and World continue to make significant adjustments in response to the emergence of the Coronavirus. The President has extended the National Emergency Declaration. The Governor has extended the State Health Emergency. The City of Waco has extended the Emergency Declaration. La Vega ISD continues to respond to these layers of emergency announcements.

The Purchasing Authority Resolution following this transmittal is to ensure La Vega ISD students and staff have the resources needed and remain productive during this emergency.

Our school attorney, Ms. Shellie Crow, has been consulted and instrumental in the development of the Resolution. The Resolution is comprehensive and reflects the knowledge, experiences, and recommendations of Walsh, Gallegos, Trevino, Russo, and Kyle P.C. The Resolution, in its broad nature, attempts to address a multitude of areas that could avail themselves as we navigate this pandemic. Not all of these areas identified will be accessed, but it is our recommendation to have them available due to the dynamic, fluid, and unpredictable nature of this emergency. Key areas the Resolution address include purchases of \$50,000 or higher; waives the requirement for Board purchasing approval and competitive procurement methods; and authorizes the Superintendent to make purchases of goods or services, whether budgeted or unbudgeted related to COVID-19 up to \$ 1,000,000.

If the Superintendent is granted additional authority, the Board will be made aware of actions as soon as possible. The pace at which the COVID-19 emergency is changing and escalating continues at an unbelievable pace requiring decisions to be made quickly, but thoughtfully. The additional authority will allow the Superintendent to act immediately and expeditiously on behalf of the students and staff of La Vega ISD.

Fiscal Implication:

The District cannot anticipate the financial impact of the COVID -10 emergency. However, the Commissioner of Education assures us that state funding will continue to flow, as expected. The Commissioner asked that we keep detail records of additional costs that we incur during this emergency in case the federal government provides reimbursement for some or all of our extra expenses.

The extension of school closures has required the District to transition much of student instruction to an online platform. An inventory of computer and iPad needs to put devices in the hands of each student is estimated at \$600,000. We will continue to research and prioritize student computers and devices need to reduce the financial impact on the approved budget and Fund Balance.

Administrative Recommendation:

The administration recommends board approval of the Purchasing Authority Resolution during Emergency as defined in the document.

**RESOLUTION OF THE BOARD OF TRUSTEES
OF THE LA VEGA INDEPENDENT SCHOOL DISTRICT
REGARDING UNFORESEEN OPERATIONAL FAILURE, PURCHASING, AND
DELEGATION OF TEMPORARY PURCHASING
AUTHORITY TO THE SUPERINTENDENT**

WHEREAS, the coronavirus (COVID-19) pandemic has resulted in the closure of La Vega ISD schools and/or significant modification of District operations and on March 19, 2020, the Governor ordered all schools temporarily closed at least through May 1, 2020, and prohibited gatherings of more than 10 people;

WHEREAS, under the Governor's Executive Order, the COVID 19 pandemic constitutes an unforeseen "operational failure" suffered by educational institutions and their physical facilities, as contemplated under Texas Education Code Section 44.031(h);

WHEREAS, as a result of the pandemic, the District has begun to offer Virtual Home Based Learning that will continue at least through May 1, 2020, which will likely require the purchase of computer equipment, computer related equipment, bandwidth, wireless hot spots for students and staff, consulting services, and other goods and services;

WHEREAS, the Board recognizes that the District may need to make purchases necessary to address COVID-19 or related emergency caused by school closure and to meet the education needs of the District and supports the Superintendent's ability to make those decisions as the educational leader of the District;

WHEREAS, Policy CH (Local) requires Board authority for the District to make a budgeted purchase of goods or services that costs \$50,000 or more unless the purchase is of a continuing or periodic nature under a Board approved contract or bid;

WHEREAS, there is a need to expedite the purchase of goods and services that are required for the District to shift its operations to include Virtual Home Based Learning, particularly given current and anticipated demands and/or potential supply-side delays or shortages to needed goods and services arising from the pandemic;

WHEREAS, as a result of the pandemic, compliance with Policy CH (Legal), CH (Local), Texas Education Code, Section 44.031(a), and the requirement for Board purchasing approval and competitive procurement methods will result in delays to the procurement of good and services that will prevent or substantially impair the District's ability to launch, maintain or enhance its virtual learning platform, the provision of classes or other essential school activities; and

WHEREAS, during the duration of the Declaration of Disaster and resulting Executive Orders of the Governor, alternative purchasing methods other than those required in Policy CH (Legal), CH Local), and Texas Education Code, Section 44.031(a) are necessary to replace traditional classroom facilities and instructional equipment with alternative goods, including, but not limited to, computer, technology, cleaning, disinfection, air quality and testing goods and services.

NOW THEREFORE BE IT RESOLVED

1. The Board finds that the recitals noted above are true and correct and hereby adopted;
2. The Board determines that, for the duration of the Declaration of Disaster and resulting Executive Orders of the Governor, the delay posed by the methods provided for in Texas Education Code Section 44.031 would prevent or substantially impair the conduct of classes or other essential school functions;
3. The Board finds that to the extent possible, the term of any contracts awarded pursuant to Texas Education Code Section 44.031(h) shall not extend longer than reasonably necessary to respond to the Declaration of Disaster and comply with Executive Orders of the Governor;
4. The Board finds that the District's best interests are served by delegating authority to the Superintendent to procure, negotiate and contract for goods and services that are required to respond to District needs caused by COVID 19, subject to compliance with the scope set forth in this Resolution;
5. The Board specifically delegates the authority under CH (LOCAL) to the Superintendent to make budgeted purchases for goods or services related to COVID-19. The Board further delegates the authority to the Superintendent to make purchases of goods or services whether budgeted or unbudgeted related to COVID-19 up to \$ 1,000,000 for the duration of this emergency. The purchasing authority limit for the Superintendent under CH (LOCAL) is otherwise suspended during the emergency or until the Board otherwise takes action; until then, this provision will govern. Any single purchase of goods or services over the above-referenced amount, regardless of whether they are competitively purchased, shall require Board approval before a transaction may take place;
6. The suspension of the requirements of CH (Legal), CH (Local), and Texas Education Code, Section 44.031(a) is solely for the duration of the Declaration of Disaster and resulting Executive Orders of the Governor, temporary and limited, and shall not extend longer than reasonably necessary to respond to the operational failure caused by the COVID 19 pandemic in accordance with federal, state or local declarations, executive or court orders, and other governmental directives as determined by the Superintendent.
7. The Superintendent will report all purchases of goods and services under this resolution to the Board and will present to the Board budget amendments for contracts entered into under the authority of this Resolution, as soon as reasonably practicable; and
8. This Resolution shall take effect immediately upon its passage and until otherwise revoked by Board action.

PASSED AND ADOPTED this 3rd day of April, 2020.
