Mr. Todd Gooden

Background Information:

The District previously approved premium pay for non-exempt employees by resolution, but it is not in board policy. This adds it to our Board Policy and indicates that the District will try to get reimbursement for the expense from FEMA when the Covid-19 closures are over. The policy provision is amended to say that the District MAY pay premium pay to all nonexempt workers who work during a disaster.

Fiscal Implication:

To be determined by the amount of time we are ordered to close.

Administrative Recommendation:

Board approval of the revisions to Policy DEA (LOCAL) Compensation and Benefits: Compensation Plan as presented.

COMPENSATION PLAN

DEA  
(LOCAL)

**PROPOSED REVISIONS**

The Superintendent shall recommend an annual compensation plan for all District employees. The compensation plan may include wage and salary structures, stipends, benefits, and incentives. [See also DEAA] The recommended plan shall support District goals for hiring and retaining highly qualified employees. The Board shall review and approve the compensation plan to be used by the District. The Board shall also determine the total compensation package for the Superintendent. [See BJ series]

**Pay Administration**

The Superintendent shall implement the compensation plan and establish procedures for plan administration consistent with the budget. The Superintendent or designee shall classify each job title within the compensation plan based on the qualifications, duties, and market value of the position.

**Annualized Salary**

The District shall pay all salaried employees over 12 months in equal monthly or bimonthly installments, regardless of the number of months employed during the school year. Salaried employees hired during the school year shall be paid in accordance with administrative regulations.

**Pay Increases**

The Superintendent shall recommend to the Board an amount for employee pay increases as part of the annual budget. The Superintendent or designee shall determine pay adjustments for individual employees, within the approved budget following established procedures.

*Mid-Year Pay  
Increases*

Contract  
Employees

A contract employee's pay may be increased after performance on the contract has begun only if authorized by the compensation plan of the District or there is a change in the employee's job assignment or duties during the term of the contract that warrants additional compensation. Any such changes in pay that do not conform with the compensation plan shall require Board approval. [See DEA(LEGAL) for provisions on pay increases and public hearing requirements]

Noncontract  
Employees

The Superintendent may grant a pay increase to a noncontract employee after duties have begun because of a change in the employee's job assignment or to address pay equity. The Superintendent shall report any such pay increases to the Board at the next regular meeting.

**Pay During Closing**

If the Board chooses to pay employees during an emergency closure for which the workdays are not scheduled to be made up at a later date, then that authorization shall be by resolution or other Board action and shall reflect the purpose served by the expenditure. [See EB for the authority to close schools]

Overtime for time worked over 40 hours in a week shall be calculated and paid according to law. [See DEAB] The Superintendent shall approve payments and ensure that accurate time records are kept of actual hours worked during emergency closings.
