### Contact Person:

Mr. Todd Gooden

### Background Information:

The FFCRA (Families First Corona Relief Act) expired on December 31, 2020. The Act provided leave for our employees who were required to quarantine; 1) due to close contact with a confirmed COVID positive case 2) due to personally contracting the COVID virus, 3) due to caring for an immediate family member who had contracted the COVID virus.

This resolution extends the leave through the end of the current school year. If this resolution is approved, those who have not previously used the 10 days provided under the FFCR, will still have those days available if they are required to quarantine for any of the above reasons. Those who have previously used those days, will be able to use any personal leave they have available.

This resolution was written with help from TASA/TASB as well as under the counsel of our school attorney.

## **RESOLUTION OF THE LA VEGA INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES**

At a lawfully called meeting on January \_\_\_\_\_, 2021, the La Vega Independent School District Board of Trustees ("Board") does hereby make the following Resolution regarding the granting of extended leave for COVID-19 to employees of the La Vega Independent School District ("La Vega ISD" or "District"):

**WHEREAS**, the District's Board of Trustees ("Board") recognizes that the State of Texas and the United States Government have declared a disaster and emergency regarding Coronavirus/COVID-19 (hereafter "COVID-19") and its potential spread, and continue to extend these declarations; and

**WHEREAS**, the territory included in the District is within the areas declared a disaster and an emergency area; and

**WHEREAS**, on or about March 13, 2020, the President of the United States first declared a national emergency and the Governor of the State of Texas declared a statewide disaster regarding COVID-19, both of which have been continually extended; and

**WHEREAS**, the Board recognizes that COVID-19 is an unforeseen and unavoidable emergency of urgent public necessity and that the World Health Organization has declared COVID-19 a pandemic; and

**WHEREAS**, the Board and Administration are following advice and directives from federal, state and local authorities in responding to COVID-19; and

**WHEREAS**, the provisions of the Families First Coronavirus Response Act (FFCRA) providing for Emergency Paid Sick Leave (EPSL) for employees who must quarantine after testing positive for COVID-19 or after close contact exposure to COVID-19 were not extended past December 31, 2020, by the federal government;

**WHEREAS**, the Board has a substantial public interest in protecting the health and safety of its students, staff, and school community, and therefore desires to protect, to the fullest extent possible, the health and safety of students, staff, and the school community in light of COVID-19; and

**WHEREAS**, the District's public purpose is served by promoting conscientious health choices by employees, including medical individual quarantines and leave as may be necessary to protect students, staff, and the school community, consistent with the provisions of the now-expired EPSL; and

**WHEREAS**, employee benefits that help ensure employees can isolate to avoid the spread of COVID-19, follow instructions from health officials, and generally help to protect the school community are essential in creating a school environment in which students can be successfully educated; and

**WHEREAS**, the District benefits from employees not being at District facilities when exposed to COVID-19, in accordance with health department instructions, and because learning is negatively impacted when staff and students are exposed to and/or ill with COVID-19; and

**WHEREAS**, the Board believes the public purposes described above are fulfilled by efficiently and effectively making certain delegations, as described more fully herein, to the

Superintendent to address this ever-changing emergency situation in the best interest of the health, safety, and well-being of its students, staff, school community, and the citizenship at-large; and

**WHEREAS**, the Board continues to provide controls and oversight for the District expenditures and authority granted to the Superintendent herein through requiring that the Superintendent develop guidelines and communicate to the Board updates regarding employee use of such extended leave.

**IT IS THEREFORE RESOLVED THAT** the Board finds a substantial public purpose exists in protecting the health and safety of its students, staff, and the school community, and in taking action to help ensure that the District and its community are prepared, to the fullest extent possible, to protect the health and safety of students, staff, and school community in light of COVID-19.

In furtherance of these public purposes, the Board of Trustees delegates to the Superintendent, for period between January 4, 2021, and June 30, 2021, the authority to develop Administrative Regulations or Guidelines permitting the use of up to ten (10) days of paid leave (“COVID Extended Leave”), in accordance with the following provisions:

- 1) Employees who did not exhaust all ten days of federal ESPL leave, prior to December 31, 2020, may take, up to a total of ten days for the 2020-2021 school year, paid leave for the following reasons: quarantine/isolation orders required by the District or a licensed medical doctor (in accordance with guidance from the health department); positive COVID-19 diagnoses confirmed by a lab or licensed medical doctor; and COVID-19 related hospitalizations; and
- 2) Such extended leave shall be available only to those employees who did not exhaust all ten days of federal EPSL leave, prior to December 31, 2020; and
- 3) Like EPSL, employees eligible to use these extended COVID-19 leave days may choose to use these days before or after the exhaustion of all paid federal, state, and/or local leave for which the employee is eligible; and
- 4) Employees are eligible for such COVID Extended Leave while observing quarantine measures and timelines in compliance with the CDC, are required to strictly observe and adhere to all CDC quarantine and isolation guidelines while in quarantine.

The authority granted by this Resolution is effective until June 30, 2021, unless the Board takes

action to revoke this authorization earlier.

PASSED AND APPROVED BY THE LA VEGA ISD BOARD OF TRUSTEES this \_\_\_\_\_ day  
of January \_\_\_\_\_, 2021.

- As confirmed at the district's recent policy review session and in accordance with DSHS guidance, the policy now reflects that the district shall not purchase nonprescription medication to administer to students, except as provided by this policy, which addresses district-provided medication in the district's athletic program.
- Medical treatment provisions have been updated to clarify who may complete medical treatment authorization forms and reflect that the district shall seek appropriate emergency care for a student as required or deemed necessary.
