PUBLIC HEARING ON THE LA VEGA ISD ANNUAL FINANCIAL INTEGRITY RATING SYSTEM OF TEXAS (FIRST) MANAGEMENT REPORT

Mr. James D. Garrett

Background Information:

In 1999, the Legislature passed a requirement that the Texas Education Agency develop a system to rate the financial integrity of all Texas school districts. Under separate cover, the Board will find the School FIRST accountability rating system formally assigned one of four financial accountability ratings to Texas school districts, with the highest being "Superior Achievement", followed by "Above Standard Achievement", "Standard Achievement", and "Substandard Achievement". In 2015, the rating was changed to "Pass" or "Substandard Achievement" rate. Major changes have continued as this process is periodically fine-tuned. Mr. Garrett will provide a brief presentation explaining the report and findings for La Vega ISD's rating under the system. After the presentation and prior to the Board's approval of the FIRST Report, the District must first hold a public hearing. It would be appropriate at this time for the Board President to open the public hearing portion of the agenda.

(If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)</u>	5/16/2022 12:13:52 PM	Yes

Sections 403(b) and/or 457(b) of the Internal Revenue Code (the "Code") in at least the amount of the Additional Salary, the Additional Salary shall be paid as a salary deferral contribution ("Salary Deferral Contribution"). Under and pursuant to applicable Internal Revenue Service rules the Superintendent shall have the option to elect to receive the Additional Salary in cash rather than as a Salary Deferral Contribution. All such Salary Deferral Contributions contemplated herein shall be paid to a plan established by the District under Section 403(b) and/or Section 457(b) of the Code. The Supplemental Salary shall be paid monthly, as services are rendered, in accordance with the District's standard payroll practices as for other salary payments and shall be reported as "creditable compensation" by the District for purposes of the Teacher Retirement System and other appropriate agencies.

IV. Annual Performance Goals

4.1 **Development of Goals.** The Superintendent shall submit to the Board each year, for the Board's consideration and adoption, a preliminary list of goals for the District. The goals approved by the Board shall at all times be reduced to writing and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated.

V. Performance Evaluation

5.1 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year, in the month of **September** or at another mutually agreeable time. The Superintendent shall participate in this meeting and the meeting shall include a review and appraisal of the roles of the Superintendent, and the Board and their relationship, and the confidential written evaluation of the Superintendent's performance shall be maintained in the Superintendent's personnel file. The evaluation and assessment shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description.

Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with either party's respective legal counsel.

Cash

The District's funds are required to be deposited and invested under the terms of a depository contract pursuant to the School Depository Act and under the guidelines of the Public Funds Investment Act. American Bank of Waco deposits for safekeeping and trust with the District's agent, bank-approved pledged securities in an amount sufficient to protect District funds on a day-to-day basis during the period of the contract.

On September 30, 2022, the balance of the district's bank deposits were \$5,051,474 and \$788,266 for the Maintenance and Operations and Interest and Sinking funds, respectively. These balances were covered by FDIC insurance and by collateral held by the District's agent in the District's name. The District's cash balances were properly collateralized or insured at all times during the quarter.

Temporary Investment Earnings

Cash balances are held by American Bank, Texas Range and Texas Class. The following is a summary of each pooled fund group's interest earnings for the first ten-months of the fiscal year, as well as the budgetary comparison:

Presented for:

Todd Gooden

Background Information:

In order to remain competitive in this region, the District requests an increase in daily substitute pay from \$75 to \$100 for non-certified, and an increase for certified from \$85 to \$125. We also would like to raise the rate of pay for long-term substitutes as well, as noted in the attachment. The District hopes these increases will attract a larger substitute pool.

Fiscal Implication:

Dependent upon the number of days we use certified/non-certified substitutes as well as the instances we use long-term substitutes.

Board Agenda Item – Reimbursement Resolution

Consider Approval of a Resolution for Reimbursing the General Fund for Potential Bonded Construction

Board action Report/Review Only

Contact Person:

Mr. James D. Garrett

Background Information:

During the last school year and going into the next, we have incurred some professional service expenditures related to the potential expansion of the field house locker rooms. In the event that we seek voter approval for bonds, this reimbursement resolution would provide a pathway that allows us to reimburse the general fund for those incurred expenditures.

Fiscal Implication:

Without this, the General Fund will be responsible for the expenditures without an opportunity to recoup those funds.

Administrative Recommendation:

Approve; motion to follow from Bond Counsel.

A RESOLUTION declaring expectation to reimburse expenditures with proceeds of future debt.

WHEREAS, the La Vega Independent School District (the "Issuer") intends to issue debt for the expansion of the District's field house (the "Project") and further intends to make certain capital expenditures for the Project and currently desires and expects to reimburse such capital expenditures with proceeds of such debt; and

WHEREAS, under Treas. Reg. §1.150-2 (the "Regulations"), to fund such reimbursement with proceeds of tax-exempt obligations the Issuer must declare its expectation to make such reimbursement; and

WHEREAS, the Issuer desires to preserve its ability to reimburse the capital expenditures with proceeds of tax-exempt obligations;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE LA VEGA INDEPENDENT SCHOOL DISTRICT THAT the Issuer reasonably expects to reimburse capital expenditures with respect to the Project from funds on hand with proceeds of debt hereafter issued by the Issuer, and this resolution shall constitute a declaration of official intent under the Regulations. The maximum principal amount of tax-exempt obligations expected to be issued for the Project will not exceed \$3,500,000.

PASSED AND ADOPTED this October 19, 2022.
