Mr. James D. Garrett

Background Information:

Section 2.10.6 of the Financial Accountability System Resource Guide, version 14.0, dated January 2010, states that budget amendments are mandated by the state for budgeted funds reallocated from one function level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and must be amended in the budget for legal compliance.

All budget amendments are required to be adopted by the last day of the fiscal year. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes.

Consideration of New Walk-In Cooler/Freezer at La Vega Junior High – George Dixon Campus

Presented For:

Contact Person:

Mr. James D. Garrett

Background Information:

The Walk-In Cooler/Freezer unit at La Vega Junior High – George Dixon Campus is at the end of its life. This is the original unit from when the school was built. It has become a safety hazard as it is consistently frosting over and making it more and more difficult to maneuver within the unit. We issued an RFP for replacement of that unit. We had one respondent that offered two solutions.

Fiscal Implication:

This expenditures falls in line with our surplus fund balance spending plan that was approved by the Texas Department of Agriculture (TDA) last summer. The option we're proposing is the Kolpak Walk-In Cooler/Freezer at a \$99,570. We currently use Kolpak's equipment so this streamlines our ability to make any needed repairs and maintenance. Additionally, the Kolpak has a shorter lead time making it less likely to interfere with the start of school.

Administrative Recommendation:

Approve the purchase of the Kolpak Walk-In Cooler/Freezer at a purchase price of \$99,750.

TEKS Certification 2023–24 Form

In accordance with [Texas Education Code §31.004](#), local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C). The TEKS Certification 2023–24 Survey includes a section to allow LEAs to certify they meet this requirement.

In response to feedback from last year's process, the agency refined the TEKS Certification Process and will utilize the following tools:

TEKS Certification 2023-24 Form:

Printable, hard copy of the survey to be completed offline and presented to the board of trustees or governing body for ratification and signatures.

TEKS Certification 2023-24 Survey:

Web-based application where LEAs will submit their responses, collected on the TEKS Certification 2023-24 Form, and where LEAs will upload the signature page of the Form.

This year's TEKS Certification Process requires:

- The completion of the TEKS Certification 2023-24 Form,
- Ratification by the LEA's board of trustees or governing body in an open, public-noticed meeting; and
- Submission of the TEKS Certification 2023-24 Survey and upload of the signature page of the ratified TEKS Certification 2023-24 Form.

TEA recommends that LEAs complete these steps by **May 1, 2023**. The TEKS Certification 2023-24 Survey can be accessed beginning on March 20, 2023, on the [Instructional Materials webpage](#).

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2023, and is scheduled to reopen on May 15, 2023. **Completion of the TEKS Certification Process is required to regain access to allotment funds when EMAT reopens in May of 2023.**

TEKS Certification 2023–24 Survey submissions received after May 15, 2023, will typically be processed within five business days, then access to EMAT provided.

Instructions to Complete the TEKS Certification Process for 2023-24

1. **Review the TEKS Certification 2023-24 Form.**
2. **Gather information:** The form may require consultation with content area leads or other LEA staff.
3. **Complete TEKS Certification 2023-24 Form:** Complete the TEKS Certification 2023–24 Form by hand or digitally.
4. **Obtain needed signatures:** Ratify the **TEKS Certification 2023-24 Form** by the LEA's board of trustees or governing body in an upcoming, open board meeting.
5. **Submit TEKS Certification 2023-24 Survey:** Complete the online TEKS Certification 2023–24 Survey by answering the questions. Inside the survey you will upload the signature page of the signed Allotment and TEKS
