Background Information

To initiate the cancellation process, the authority responsible for preparing the ballot must certify the unopposed status to the authority responsible for ordering the election. The authority is the secretary of the political subdivision's governing body or, if the governing body has no secretary, the presiding officer of the governing body.

This document is filed with the presiding officer of the political subdivision. The governing body must meet, accept this certification, and issue an order or ordinance declaring the election canceled and the unopposed candidates elected. The candidates may take the oath of office on or after the date of election, and the certificate of election should be issued after Election Day.

To complete the cancellation process, a copy of the order or ordinance canceling the election must be posted on Election Day at each polling place that would have been used in the election.

Instructions for certification of unopposed candidates:

The authority responsible for preparing the ballot must certify the unopposed status to the authority responsible for ordering the election. This document is filed with the presiding officer of the political subdivision. The governing body must meet, accept this certification, and issue an order or ordinance declaring the election cancelled and the unopposed candidates elected. To complete the cancellation process, a copy of the order or ordinance canceling the election must be posted on Election Day at each polling place that would have been used in the election. See sample Order of Cancellation and outlines for additional instructions.

An election* may be cancelled if:

1) The election is one in which a declaration of write-in candidacy is required; and
2) No opposed at-large race is on the ballot* within that election;*and
3) Each candidate whose name is to appear on the ballot* is unopposed, with some exceptions;

This means:

- **In an all at-large election* (with no single-member districts), if there is one or more opposed at-large races, then all the races go on the ballot within that election.***
- **In an election* in which any members of the governing body are elected from single-member districts, an election in a particular district may be cancelled if the candidate is unopposed and the election otherwise meets the above requirements (i.e., there is no at-large opposed race on the ballot).**

Note: A general election (for full terms) or a special election (to fill a vacancy in an unexpired term) is considered a *separate election* with a *separate ballot* for purposes of these tests, even if held on the same election date. See our online Cancellation guide for details.

Instrucciones para la certificación de una elección con candidatos únicos:

La autoridad a cargo de preparar la boleta de votación debe certificar los candidatos únicos sin oposición a la autoridad encargada de ordenar la elección. Este documento se debe presentar al presidente de la subdivisión política. La entidad gobernante debe reunirse, aceptar esta certificación y emitir una orden o una ordenanza en la que declara la cancelación de la elección y la elección de los candidatos únicos sin oposición. Para completar el proceso de cancelación, se debe exhibir el Día de la Elección una copia de la orden u ordenanza de cancelación de la elección en todos los sitios de votación que se hubieran utilizado en la elección. Vea el ejemplo Orden de Cancelación y el resumen para más instrucciones.

Una elección* puede ser cancelada si:

1) la elección es una en la que se requiere una declaración de candidatos por escrito en la boleta de votación; y,
2) no hay oposición para la carrera por acumulación en la boleta de votación dentro de esa elección* y*
3) Todos los candidatos cuyos nombres deben aparecer en la boleta de votación no tienen oposición, con unas excepciones;*

Esto significa:

- ***En una elección* por acumulación (sin ningún distrito con miembro único), si se encuentra una o más de una carrera por acumulación con oposición, entonces todas las carreras estarán en la boleta dentro de esa elección*.***
- ***En una elección* en la que cualquiera de los miembros de la entidad gobernante se eligen de distritos con un solo miembro, se puede cancelar una elección en un distrito específico si hay oposición para el candidato y la elección cumple con los requisitos que anteceden (ej. no hay oposición para la carrera por acumulación en la boleta).***

Nota: Una elección general (con términos completos) o una elección especial (para llenar una vacante de un término no vencido) es considerada como una elección distinta con una boleta distinta con los propósitos de estas pruebas, aunque se lleven a cabo en la misma fecha electoral. Vea nuestra guía de cancelación en línea para más detalles.

Instructions for sample order of cancellation:

To cancel an election, the governing body must first receive and accept the Certification of Unopposed Candidates form (or the authority may create its own form) from the authority responsible for preparing the ballot. The cancellation order/ordinance must be adopted in an open meeting. The candidates are not required to be present. Certificates of election should be prepared for each unopposed candidate; however, the certificates of election should not be issued until after Election Day, as follows. Section 2.053 provides that the certificate of election shall be issued "in the same manner and at the same time" as for a candidate elected at an election. Therefore, the candidates, who have been declared "elected" at the meeting ordering the cancellation, must wait until after the official election day (even though no election is held) and no earlier than the prescribed canvassing period (even though no canvass is held) to be sworn in and assume their duties. Candidates may complete the Statement of Elected Officer prior to Election Day. The Statement should be kept locally; it does not need to be sent to the Secretary of State's Office. Copies of this order/ordinance must be posted on Election Day at each polling place that would have been used had the election not been cancelled.

An election* may be cancelled if:

1) The election is one in which a declaration of write-in candidacy is required; and
2) No opposed at-large race is on the ballot* within that election;*and
3) Each candidate whose name is to appear on the ballot* is unopposed, with some exceptions;
This means:
- **In an all at-large election* (with no single-member districts), if there is one or more opposed at-large races, then all the races go on the ballot within that election.***

Note: A general election (for full terms) or a special election (to fill a vacancy in an unexpired term) is considered a *separate election* with a *separate ballot* for purposes of these tests, even if held on the same election date. See our online Cancellation guide for details.

Instrucciones para el ejemplo de orden de cancelación:

Para cancelar una elección, la entidad gobernante primero debe recibir y aceptar, de la autoridad responsable para preparar la boleta, el formulario de Certificación para Candidatos Sin Oposición (o la autoridad puede crear su propio formulario) de la autoridad responsable para preparar la boleta. La orden/ordenanza de cancelación debe ser adoptada en una reunión abierta. No se requiere que los candidatos estén presentes. Se debe preparar un certificado de elección para cada candidato sin oposición; sin embargo, los certificados de elección no se deben emitir hasta el Día de las Elecciones, así como se detalla a continuación. La sección 2.053 indica que el certificado de elección será publicado "en la misma manera y al mismo tiempo" para un candidato elegido en una elección. Por lo tanto, los candidatos que hayan sido declarados "elegido" en la reunión de la cancelación, deben esperar hasta después del día oficial de elecciones (aunque no se hayan llevado una elección) y no antes del período prescrito de la campaña política (aunque no se lleve a cabo la campaña política) a ser jurados y asumir sus deberes. Los candidatos pueden llenar la Declaración de Funcionario Elegido antes del Día de las Elecciones. Este documento se debe mantener en los archivos locales. No es necesario enviarlo a la Oficina del Secretario de Estado. El Día de las Elecciones se debe exhibir una copia de esta orden/ordenanza en todos los sitios de votación que se hubieran utilizado en la elección si no hubiera sido cancelada.

Una elección* puede ser cancelada si:

1) la elección es una en la que se requiere una declaración de candidatos por escrito en la boleta de votación; y,
2) no hay oposición para la carrera por acumulación en la boleta* de votación dentro de esa elección* y
3) ***Todos los candidatos cuyos nombres deben aparecer en la boleta* de votación no tienen oposición, con unas excepciones;***
Esto significa:
- ***En una elección* por acumulación (sin ningún distrito con miembro único), si se encuentra una o más de una carrera por acumulación con oposición, entonces todas las carreras estarán en la boleta dentro de esa elección*.***
- ***En una elección* en la que cualquiera de los miembros de la entidad gobernante se eligen de distritos con un solo miembro, se puede cancelar una elección en un distrito específico si hay oposición para el candidato y la elección cumple con los requisitos que anteceden (ej. no hay oposición para la carrera por acumulación en la boleta).***

Nota: Una elección general (con términos completos) o una elección especial (para llenar una vacante de un término no vencido) es considerada como una elección distinta con una boleta distinta con los propósitos de estas pruebas, aunque se lleven a cabo en la misma fecha electoral. Background Information:
Section 2.10.6 of the Financial Accountability System Resource Guide, version 14.0, dated January 2010, states that budget amendments are mandated by the state for budgeted funds reallocated from one function level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and must be amended in the budget for legal compliance.

All budget amendments are required to be adopted by the last day of the fiscal year. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes.

Fiscal Implication:
Budget amendments are moving from one function to another.

Consider Adoption of 2024-2029 HB3 Literacy, Math, and CCMR Goals

Presented for:
Board action ☒ Report/Review Only ☐

Supporting documents:
None ☒ Attached ☐ Provided Later ☐

Contact Person:
Sharon M. Shields, PhD

Background Information:
The HB3 statute requires school boards to adopt detailed plans developed by their management teams that contain specific, quantifiable goals in three areas:
Early childhood literacy proficiency (EC-Literacy)
Early childhood mathematics proficiency (EC-Math)
College, career, and military readiness (CCMR).

The EC-Literacy and EC-Math goals are 5-year goals for aggregate student growth on 3rd-grade reading and math STAAR. The CCMR goal is a 5-year goal for aggregate student growth on CCMR readiness indicators evaluated under the student achievement domain. **College readiness** includes Texas Success Initiative (TSI) score SAT/ACT/TSI Assessments (TSIA) **and** earned an associate degree prior to graduation or enrolled in college by the fall immediately after high school graduation. **Career readiness** includes TSI score on SAT/ACT/TSIA **and** received an industry-based certification/Level I/Level II certificate. **Military readiness** includes Armed Services Vocational Aptitude Battery (ASVAB) passing score **and** enlisted in U.S. Armed Forces after graduation.

The goals must be specific, quantifiable, annual goals for five years at each campus. The goals must be reviewed at least annually by the Board at a public meeting. The district must post an annual report on district and campus websites.

The draft goals presented are generated based on the 2023-2024 baseline data. As noted previsouly in the Education Service Center Region 12 training, Evaluating and Improving Student Outcomes (EISO) the Team of Eight, goals should be reasonable with expected gains of 2%-3% each year.

The percentage of 3rd grade students scoring meets grade level standard or above on the STAAR math assessment will increase from 25% in June of 2024 to 58% by June 2029.

The percentage of 3rd grade students scoring meets grade level standard or above on the STAAR RLA assessment will increase from 38% in June of 2024 to 55% by June 2029.

The percentage of students that meet the criteria for CCMR will increase from 68% in August 2024 to 90% by August 2029.

Fiscal Implication:
The financial impact of the implementation of these goals has been included in the 2024-2025 budget.

Administrative Recommendation:
The Board is asked to review the draft goals and inform the superintendent of recommended revisions. If there are no revisions, the administration recommends the Board vote on the HB3 Goals.
