Mrs. Jamie White

Background Information:

In 1999, the Legislature passed a requirement that the Texas Education Agency develop a system to rate the financial integrity of all Texas school districts. Under separate cover, the Board will find the School FIRST accountability rating system formally assigned one of four financial accountability ratings to Texas school districts, with the highest being "Superior Achievement", followed by "Above Standard Achievement", "Standard Achievement", and "Substandard Achievement". In 2015, the rating was changed to "Pass" or "Substandard Achievement" rate. Major changes have continued as this process is periodically fine-tuned. Mrs. White will provide a brief presentation explaining the report and findings for La Vega ISD's rating under the system. After the presentation and prior to the Board's approval of the FIRST Report, the District must first hold a public hearing. It would be appropriate at this time for the Board President to open the public hearing portion of the agenda.

3	<u>Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)</u>	6/4/2026 6:18:46 PM	Yes

DETERMINATION OF RATING

A. Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.

B. Determine the rating by the applicable number of points.

A = Superior Achievement	90-100
B = Above Standard Achievement	80-89
C = Meets Standard Achievement	70-79
F = Substandard Achievement	<70

No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.

The school district receives an **F** if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.

CEILING INDICATORS

Did the school district meet the criteria for any of the following **ceiling indicators** 4, 5, 6, 16, 17, 20, or 21?
